Scope and Sequence - 4th Grade

Content Area: **Gifted and Talented**
Course(s): **Gifted and Talented, Technology**
Time Period: **Full Year**
Length: **Length of the Course**
Status: **Published**

Course Overview

Fourth grade gifted technology students will learn that Scratch is a control program. Scratch is designed for students to learn a particular style of programming suited to creating interactive applications with multimedia content. Students will learn that the control program enables them to create their own interactive stories, animations, games, music, and art using computer programing.

Scope and Sequence

Order of the Unit	Title of the Unit	Time Frame
