

# Unit 6: Food

Content Area: **Spanish**  
Course(s): **Spanish**  
Time Period: **Generic Time Period**  
Length: **Weeks**  
Status: **Published**

## Unit Overview

---

In this unit, students learn vocabulary for food. They will ask and answer questions about food vocabulary as well as for items that are used to set a table. They will also learn about several traditional Hispanic dishes.

## Standards

---

WL.7.1.NM.A.2	Demonstrate comprehension of simple, oral and written directions, commands, and requests through appropriate physical response.
WL.7.1.NM.A.4	Identify familiar people, places, and objects based on simple oral and/or written descriptions.
WL.7.1.NM.A.5	Demonstrate comprehension of brief oral and written messages using age - and level - appropriate, culturally authentic materials on familiar topics.
WL.7.1.NM.B.2	Give and follow simple oral and written directions, commands, and requests when participating in age - appropriate classroom and cultural activities.
WL.7.1.NM.B.4	Ask and respond to simple questions, make requests, and express preferences using memorized words and phrases.
WL.7.1.NM.B.5	Exchange information using words, phrases, and short sentences practiced in class on familiar topics or on topics studied in other content areas.
WL.7.1.NM.C.3	Copy/write words, phrases, or simple guided texts on familiar topics.
WL.7.1.NM.C.4	Present information from age - and level - appropriate, culturally authentic materials orally or in writing.

## Essential Questions

---

How can we learn about a country through its popular food dishes?

Why is Hispanic food so prominent throughout the United States?

## Application of Knowledge and Skills...

---

## **Students will know that...**

---

- ¿Tienes hambre? means "Are you hungry?"
- ¿Tienes sed? means "Are you thirsty?"
- Arroz con pollo is chicken and saffron rice in a sauce seasoned with onions, garlic and cooked peas
- Cazuela de Mariscos is a seafood casserole made with peanuts (Ecuador, Colombia)
- Chile con Carne is a Mexican dish of ground beef, tomatoes, onions, green peppers, and kidney beans seasoned with chili powder

## **Students will be able to . . .**

---

- ask and respond to questions about food, written and orally
- describe popular Hispanic dishes
- express and recognize food and tableware vocabulary, written and orally

## **Assessments**

---

- answer questions about a shopping receipt; label the table setting illustrated, using a word bank; name the popular Hispanic dishes illustrated.
- Diagnostic: Other written assessments

- Food Presentation
- Formative: Personal Project
- La Comida
- match the English word with the Spanish translation for unit food vocabulary; illustrate and label six items that may go on the table provided; answer multiple-choice questions about food; describe three of the five Spanish dishes presented.
- Pre-assessment
- Summative: Written Test
- work with a partner to create a Spanish dish and bring the dish to share with the class. Present in both Spanish and in English the ingredients that were used and how the dish was made. Describe the experience of making the dish together. CAUTION: Check with the nurse for food allergies.

## Activities

---

- create a menu in Spanish that includes entres, beverages and desserts; include realistic prices using the currency of their choice; design a cover for the menu
- create a shopping list based upon the foods that one likes; present to the class
- create a skit that depicts people ordering food in a restaurant
- engage in conversations about favorite foods; record the information and create a bar graph or pie chart to show the class favorites

## Activities to Differentiate Instruction
