Content Area: **Physical Education**
Course(s): **Gifted and Talented, Physical Education**
Time Period: **One Semester**
Length: **1st and 2nd Marking Period**
Status: **Published**

Unit Overview

The Fourth grade gifted and talented physical education students will perform various exercises including the FitnessGram fitness tests and then analyze their performance. They will set measurable goals and try to reach those goals by recording and charting their heart rates and assessment results. The students will plan various vigorous activities and record their heart rates in a journal and chart them to compare results. The students will understand and apply various ways to improve their fitness levels using physiological symbols of exercise. At the end of the second marking period the students will write a final report explaining their findings. The fourth graders will participate once a week, every other week in school, but maintain their progress toward fitness goals at home.
