## Unit Overview

---

Students will demonstrate the proper use of the various forms of punctuation in a variety of contexts.

This unit on punctuation includes instruction and practice on the use of end punctuation (periods, question marks, and exclamation points) and intermediary punctuation (apostrophes, hyphens, dashes, parentheses, commas, semicolons, and colons). The portion of the unit involving commas includes lessons on how to use a comma or an ellipsis to indicate a pause or break, and an ellipsis to indicate an omission.

Quotation marks are covered in lessons regarding dialogue in narrative writing; therefore, they are not covered in this unit.

This is a heavily abridged version of corresponding units in the curricula for grades 6 and 7. The unit does, however, remain thorough enough for students who are new to the school and do not have the benefit of the previous year's more intensive coverage.

The Grammar Blitz unit provides for an expedient review of the grammar topics most important to students' writing skills. This enables students to spend more of the year working on their various Writing Workshop projects.

Teachers may wish to employ a format in which instruction and activities are conceived and driven by students, in consultation with the teacher. For example for the four Grammar Blitz units, a class can be divided into four groups, each presenting instructions and activities for one unit. The teacher administers assessments, additional instruction, and follow-up assessments as needed.

## **Assessments**

---

Parts of Speech Pretest

Diagnostic: Written Test

This initial assessment reveals the understanding the student already has with regard to the uses of various forms of punctuation.

Unit Test

Summative: Written Test

This test requires students to apply various forms of punctuation to challenging contexts.

Group Presentation (if teacher chooses)

Formative: Oral Report

Working in groups, students prepare a presentation for instruction and assessment on the topic of one of the eight parts of speech. The teacher provides parallel objective assessment in the form of quizzes in advance of an objective unit test.

This assessment could include three tiers: the student's assessment of his or her contribution to the group presentation; the class's assessment of each presentation; and the teacher's assessment of each presentation. Forms for all three of these appear as document links to this unit.
