

Grammar Blitz, Part IV -- Capitalization

Content Area: **English Language Arts**

Length: **Weeks**

Unit Overview

Students will practice capitalization skills in a variety of contexts with an eye toward applying these skills to their writing.

This is a heavily abridged version of corresponding units in the curricula for grades 6 and 7. The unit does, however, remain thorough enough for students who are new to the school and do not have the benefit of the previous year's more intensive coverage.

The Grammar Blitz units provide for an expedient review of the grammar topics most important to students' writing skills. This enables students to spend more of the year working on their various Writing Workshop projects.

Teachers may wish to employ a format in which instruction and activities are conceived and driven by students, in consultation with the teacher. For example for the four Grammar Blitz units, a class can be divided into four groups, each presenting instructions and activities for one unit. The teacher administers assessments, additional instruction, and follow-up assessments as needed.
