## Unit Overview

---

Students read and discuss two poems each day, analyzing literary devices at work, synthesizing ideas from topics covered, and evaluating the artistic value of the poems.

Prominent poets and noteworthy poems and passages receive particular emphasis. The origins of poetry in oral traditions will also receive special attention.

Students demonstrate a greater depth of analysis and critical evaluation of a poem's artistic merit. Students may not necessarily agree in their assessments; however, spoken and written commentary must have substance beyond what one would expect of work from a typical seventh grader.

## **Assessments**

---

Objective Test

Summative: Written Test

Students recall factual information on quotes, poems, terms and forms.

Investigation of Poetic Forms, Tropes, and Terms

Formative: Other written assessments

Working in groups of four, students investigate specific forms, tropes (devices), and terms. Findings are placed on the board, and all students record findings into their own notes.

Poetry Portfolio

Summative: Student Portfolio

Students write original poems and submit as a portfolio at the end of the unit.

Poetry Project

Summative: Personal Project

Students may choose one of the following:

1. Choose ten forms, tropes, or terms relating to the poetry unit and construct a display or presentation defining each and including examples from the poetry read.

2. Choose three original poems, and compile a display or presentation illustrating at least five forms, tropes, or terms related to the poetry unit.

3. Write an essay summarizing and analyzing a poem. The essay should comment extensively on the form of the poem and its figurative devices. It should also provide an explanation of the poet and his or her background as well. All outside information must be attributed to sources.

### Poetry Circles

Formative: Other oral assessments

Similar to Literature Circles, the Poetry Circle discussions allow students to discuss poetry in small groups. They share questions and comments, and they engage in analysis of form, figures of speech, and various levels of meaning.

The teacher assesses students based on their participation and contribution to discussions as well as their note-taking and preparation for the discussion.

### Poet Profile Presentation

Formative: Oral Report

In pairs, students conduct research on historical, sociological, political, cultural, and artistic impulses influencing a particular poet. The resulting oral report provides analytic insight into the work of that poet.

Students make visual presentations to the class, and the students listening respond, assess, and comment.
