

# Unit 5: Renaissance Profile Portrait

Content Area: **Visual Arts**  
Course(s): **Visual Arts**  
Time Period: **Week 26**  
Length: **10 Weeks**  
Status: **Published**

## Unit Overview

---

Combining art and science, Renaissance artists analyzed the proportions of the head and face and created measurements for facial proportion. Students will use these measurements as a tool to create a Renaissance profile portrait. Students will critique the portraits in order to formulate judgments regarding artistic and aesthetic merits of artwork.

## Standards

---

VPA.3-5.1.1.5.D.1	Identify elements of art and principles of design that are evident in everyday life.

theatre, and visual artworks using observable, objective criteria.

Use discipline-specific arts terminology to evaluate the strengths and weaknesses of works of dance, music, theatre, and visual art.

## Essential Questions

---

- Does art define culture or does culture define art?
- How does art preserve history?
- What is the difference between a thoughtful and thoughtless artistic judgment?

## Application of Knowledge and Skills...

---

## Students will know that...

---

- 1. According to artists of the Renaissance, human facial features are based on proportions between the individual features.
- 2. A profile is a portrait picture of a person from the side.
- 3. The Renaissance was a time period of European history, lasting from approximately 1400-1600.
- 4. Criteria for determining the aesthetic merits of artwork vary according to context. Understanding the relationship between compositional design and genre provides the foundation for making value judgments about the arts.
- 5. The use of color and a knowledge of value are important elements of art.

## Students will be able to...

---

- a. Identify the proportions between typical human facial features.
- b. Draw a profile portrait.
- c. Identify clothing and jewelry styles from the Renaissance.
- d. Evaluate the aesthetic merits of artwork.
- e. Use different colors and values to give form and create the appearance of depth in a picture.

## Assessments

---

- Critique Formative: Other written assessments Students will critique their own artwork. They will describe their artwork, analyze the compositional design, and evaluate the aesthetic merits of their work. 1.4.5.A.1 1.4.5.A.2 1.4.5.B.1 1.4.5.B.3
- Critiquing Peers Formative: Other written assessments Students will write a critique of one of their peers' artwork. They will describe the artwork, analyze the compositional design, and evaluate the aesthetic merits of the work. The critique will offer constructive criticism. 1.4.5.A.1 1.4.5.A.2 1.4.5.B.1 1.4.5.B.3
- End-of-the-Year Benchmark Assessment Summative: Benchmark Assessment Students will complete a benchmark assessment that includes a performance drawing task and closed-response questions. 1.1.5.D.1 1.1.5.D.2 1.3.5.D.1 1.3.5.D.2 1.3.5.D.3 1.3.5.D.4 1.4.5.A.1
- Portrait Drawing Formative: Other visual assessments Students will follow step-by-step instructions to draw a Renaissance-style profile portrait. 1.1.5.D.1 1.2.5.A.2 1.3.5.D.1 1.3.5.D.2
- Renaissance Design Formative: Other visual assessments Students will add jewelry, hats, clothing, and hair styles from the time period of the Renaissance to the portrait drawing. 1.1.5.D.1 1.2.5.A.2 1.3.5.D.1 1.3.5.D.2
- Renaissance Portrait Summative: Visual Arts Project Students will add color to the facial features, the clothing, the jewelry, and the background of the Renaissance-style portrait. 1.1.5.D.1 1.1.5.D.2 1.2.5.A.2 1.3.5.D.1 1.3.5.D.2 1.3.5.D.4 1.3.5.D.5
- Renaissance Standards Diagnostic: Other written assessments Students will answer teacher questions based on Renaissance standards of typical facial proportions. 1.2.5.A.1 1.2.5.A.2 1.2.5.A.3

## Activities

---

- Show pictures of Renaissance artwork
- Discuss the proportions that exist between facial features
- Demonstrate the sequence of steps to draw a profile portrait
- Show examples of hairstyles, jewelry and clothing from the Renaissance
- Discuss the color wheel; remind students of the importance of monochromatic colors
- Discuss how different values are used to create depth in a picture
- Review the critiquing process
- Have students first critique their own artwork, then the artwork of a peer

## Activities to Differentiate Instruction

---

- Some students will only create a background after they have finished the main portrait
- Students who excel may choose to add an ornate hat and hairstyle to their portrait after they have completed the other aspects of the project
- Students work at their own pace/teacher-reduced project expectations
- Review and repeat instructions
- Use proximity control
- Incorporate frequent modeling and prompting

- Use visuals, when possible, to accompany instructions
- Preferential seating

### **Integrated/Cross-Disciplinary Instruction**

---

For the subject of the portrait the students may choose any person. The students will learn in social studies about famous Americans and may create a profile portrait of a famous American.
