

Unit 2- Understanding Text

Content Area: **ESL**
Course(s): **ESL**
Time Period: **Week 10**
Length: **10 Weeks**
Status: **Published**

Unit Overview

In this unit, the students will continue to develop their survival vocabulary. They will understand subject-verb agreement, the difference between needs and wants and learn vocabulary associated with the five senses, body parts, clothing, numbers, colors, and days of the week, so that on their own they can navigate the English language environment.

Standards

Each WIDA sub-standard will be adapted to learner's proficiency level (entering, beginning, developing, expanding, bridging).
