

Unit 4- Vocabulary in Social Studies

Content Area: **ESL**
Course(s): **ESL**
Time Period: **Week 30**
Length: **10 Weeks**
Status: **Published**

Unit Overview

In this unit, students will continue to obtain vocabulary needed to survive in the English language environment. Concepts that will be explored in the unit are different holidays and how they are different between cultures, the four seasons that are experienced, how to express emotion through the four language domains, occupations, and spatial relationships. These concepts will assist the students so that on their own they can navigate the English language environment.
