Course(s): **Technology**
Time Period: **Full Year**
Length: **Length of the Course**
Status: **Published**

Course Overview

First Grade technology lessons emphasize a strong focus on typing and word processing throughout the year. First graders graduate to a touch typing program, improve their word processing skills, and learn to cut, copy, and paste words and images. Students learn to search for images online and use them for illustrating their written documents. First Graders will also use the iPad to explore a variety of learning apps.

Scope and Sequence

Order of the Unit	Title of the Unit	Time Frame
	Keyboarding	All Year
	Tooth Tally Project	All Year
Unit 1	Introduction to First Grade Technology	September
Unit 2	Online Safety	October
Unit 3	Introduction To Google Docs	November
Unit 4	Introduction To Computer Programming and Robotics	December/February/March/May-June
