* Scope and Sequence

Content Area: Technology
Course(s): Technology
Time Period: Full Year

Length: Length of the Course

Status: **Published**

Course Overview

First Grade technology lessons emphasize a strong focus on typing and word processing throughout the year. First graders graduate to a touch typing program, improve their word processing skills, and learn to cut, copy, and paste words and images. Students learn to search for images online and use them for illustrating their written documents. First Graders will also use the iPad to explore a variety of learning apps.

Scope and Sequence
