SOC.6.1.12.GeoPP.2.b	Use multiple sources to evaluate the effectiveness of the Northwest Ordinance in resolving disputes over Western lands and the expansion of slavery.
SOC.6.1.12.EconEM.2.a	Explain how the United States economy emerged from British mercantilism.
SOC.6.1.12.EconEM.2.b	Assess the effectiveness of the new state and national governments attempts to respond to economic challenges including domestic (e.g., inflation, debt) and foreign trade policy issues.  Resources impact what is produced and employment opportunities.
SOC.6.1.12.EconET.2.a	Analyze how technological developments transformed the economy, created international markets, and affected the environment in New Jersey and the nation.  Chronological sequencing serves as a tool for analyzing past and present events.  Civics, Government, and Human Rights: Participation and Deliberation  Civic participation and deliberation are essential characteristics of productive citizenship.
SOC.6.3.12.CivicsPD.1	Develop plan for public accountability and transparency in government related to a particular issue(s) and share the plan with appropriate government officials.  Civics, Government, and Human Rights: Human and Civil Rights  Global interconnections create complex spatial patterns at multiple scales that continue to

change over time.

## **Enduring Understandings**

---

1. Difficulties over trade, finances, and interstate and foreign relations as well as internal unrest, led to calls for significant revisions to the Articles of Confederation and a stronger central government.

A. The continued presence of European powers in North America challenged the United States to find ways to safeguard its borders, maintain neutral trading rights, and promote its economic interests.

B. As settlers moved westward during the 1780s, Congress enacted the Northwest Ordinance for admitting new states and sought to promote public education, the protection of private property, and the restriction of slavery in the Northwest Territory.

2. Delegates from the states worked through a series of compromises to form a Constitution for a new national government while providing limits on federal power.

A. The constitutional framers postponed a solution to the problems of slavery and the slave trade, setting the stage for recurring conflicts over these issues in later years.

B. Calls during the ratification process for greater guarantees of rights resulted in the addition of a Bill of Rights shortly after the Constitution was adopted.

- Students will determine, through media literacy skills and lateral, close reading strategies when evaluating primary and secondary resources the following: 1. context of the text; 2. reason for the text; 3. type of source the text is; 4. the point of view of the author of the text 5. the intended audience for the text 6. evaluate the stance of the text
