Enduring Understandings

1. As students enter high school, it is imperative for them to adapt to the many changes in their new learning environment. **HE.9-12.2.1.12.EH** - *Emotional Health* - [Core Idea] - *Self-confidence, personal traits, stress, limitations, and strengths impact the mental and emotional development of an individual*
2. The relationship and mentorship between upperclassmen and underclassmen can promote an environment of communication, respect, and trust. **HE.9-12.2.1.12.SSH** - [Core Idea] - *Healthy individuals establish and maintain healthy relationships by utilizing positive communication and social skills to interact effectively with others*
3. It is important for students to understand the school/community resources available to them and how to access them when/if in need. **HE.9-12.2.1.12.SSH** - *Social and Sexual Health* - [Core Idea] - *Knowledge of and access to resources is beneficial in providing support to individuals and families dealing with difficult situations.*

Essential Questions

1. What are the common struggles that freshmen face when entering high school?
2. What roles can the upperclassmen play in helping freshman students adapt to life as a WHRHS student?
3. What resources are available to help our students adapt?

Knowledge and Skills

Performance expectations are:

- Participate in team building activities and ice breakers to help students form connections with classmates. **HE.9-12.2.1.12.SSH.3**
- Identify personal uncertainties regarding WHRHS and create avenues with resources that students can rely on. **HE.9-12.2.1.12.EH.3**
- Recognize and access the school resources designed to help with the transition to WHRHS.(Peer Leaders, SAC, Lunch Lounge). **HE.9-12.2.1.12.CHSS.6**
- Develop communication and social skills that will help them interact within the Watchung Hills community. **HE.9-12.2.1.12.EH.1**

Transfer Goals

1. Students will be able to independently recognize the challenges that arise during high school.
2. Students will be able to independently understand what school resources are available to them when facing adversity.
3. Students will be able to independently utilize the available resources proactively rather than reactively.
