Enduring Understandings

1. The breadth section of the AP portfolio is a collection of works that vary in medium, size, and concept that show a wide-range of artistic abilities.

2. A complete breadth section shows a clear understanding and successful application of the elements of art and principles of design.

3. A strong breadth section shows dedication, practice, and artistic growth.

Essential Questions

1. Why do artists work in several different types of mediums?

- 2. Do all techniques and skills in one art form translate to another (for example, from 2D to 3D)?
- 3. Why is having a strong breadth section important?

Knowledge and Skills

Students will be able to:

Transfer Goals

Students should be able to independently...

1. Identify, create, and discuss works of art in a variety of mediums, sizes, and subject matter.

2. Recognize that creating a full and well-developed breadth section of a portfolio continually challenges artists to improve their observational, communication and art-making skills.
