Enduring Understandings

- 1. Understand basic musical terminologies; note names, dynamic variations, tempos, rhythms, etc.
- 2. Apply what has been learned in class to quartet testing (assessment on rhythmic accuracy, intonation, tone, breath support, projection, diction, effort, and conducting while others perform).
- 3. Follow a musical score and apply what has been learned thus far in the marking period.

Essential Questions

- 1. How can the singer maximize his or her potential as a singer ADJUDICATED PERFORMANCE (FIELD TRIP, PERFORMANCE OPPORTUNITY)??
- 2. How can the student develop the knowledge and skills that will strengthen his or her vocal music awareness?
- 3. What skills are needed to recognize a good performance?
- 4. What skills are needed to recognize a poor performance?

Knowledge and Skills

- Review of theory sight reading method, numbers 1-28 to help strengthen sight reading skills.
- Quartet testing on pieces studied to ensure student learning of concert repertoire; student confidence as singers will also be evaluated.
- Review of pieces in concert order, emphasizing good diction, consonants, posture, vowels, rhythm, and pitch.
- Memorization of pieces and "silent study hall sectional rehearsals."
- Run-thru all pieces without stops on stage and in the classroom in preparation for a concert Friday, December 16th.
- Discuss and critique different aspects of the concert.
- Middle School field trip to recruit 8th graders into the chorus.
- Watch the winter concert and critique each piece with constructive criticism/positive commentary.
- Critique and analyze individual student final chorus projects.
- Final chorus projects, sight reading assessments.

Resources

- Piano
- YouTube, various performance DVDs to demonstrate exemplary performances
- Sheet music (repertoire being studied for the semester)
- Other instruments as needed throughout the semester

Transfer Goals

1. Students will independently be able to create a performance to evoke mood and emotion through the application of technique and methodology.
