Audacity

FL Studio

## Enduring Understandings

---

1. Analyze, discuss and recognize the compositional structure of a selected piece of music; including the elements of music and the musical form.
2. Discuss and understand the aesthetic impact of a selected piece of music; including both its initial impact and its legacy.
3. Analyze, discuss and understand the intrinsic value of a selected piece of music; from a historic, compositional, personal, emotional and aesthetic point-of-view

## **Essential Questions**

---

1. How does knowledge of music theory support the success of learning to read music?
2. How can students learn to appreciate other genres of music?
3. How can students apply musical terminology to talk about music?
4. How can music be appreciated as an art form and apply it to everyday life?

## **Knowledge and Skills**

---

- Assessment and study assigned daily - DO NOW journaling
- Written blog assessment assigned
- Class discussion (DAILY)
- Lecture (DAILY)
- Independent reading
- Instructor directed listening DAILY
- Independent research
- Class analysis during rehearsal of selected piece of music

## **Transfer Goals**

---

1. Students will independently be able to communicate effectively as a collaborative whole (choir concert).
