MU.9-12.1.3B.12prof.Re7b	Analyze aurally and/or by reading the elements of music (including form) of musical works, relating them to style, mood and context, and describe how the analysis provides models for personal growth as a composer, performer and/or listener.
SEL.PK-12.4.1	Develop, implement and model effective problem-solving, and critical thinking skills
SEL.PK-12.4.2	Identify the consequences associated with one's actions in order to make constructive choices

Enduring Understanding

1. The elements of music used in combination may lead to a variety of emotional responses.
2. Meter, rhythm and tonality are organized and manipulated to compose music in a variety of genres.
3. Understanding the ways musical elements link together embody the "complete" and comprehensive musician.

Essential Questions

1. In what ways do these elements interact in the construction and identification of diatonic triads?
2. How does a musician construct and identify diatonic triads in music?
3. How does a composer utilize harmonic progressions to tell a story?
