## Enduring Understanding

---

Since the 1990's the Internet and information technology have dramatically changed the marketing environments and the strategies that are necessary for marketing success.

Digital media have created exciting opportunities for companies to target specific markets more effectively, develop new marketing strategies and gather more information about customers.

## Essential Questions

---

How does digital marketing differ from traditional marketing?

Why are social networks becoming an increasingly important tool?

## **Knowledge and Skills**

---

- compare and contrast digital media, digital marketing and electronic marketing.
- critique the different ways consumers use digital marketing.
- summarize the growth and importance of digital marketing.
- describe different types of digital media and how they can be used for marketing.
- identify legal and ethical considerations in digital marketing.

## **Transfer Goals**

---

- Technology has changed the shape of how commerce works.
- Understanding the tools available helps to select the most effective tool for a job.

## **Resources**
