Enduring Understanding

The distribution component of the marketing mix focuses on the decisions and activities involved in making products available to customers when and where they want to purchase them.

Creators of content need to work with retailers to sell their products.

Essential Questions

What value is added to the product by retailers?

What major issues should be considered when determining a retail site location?

Knowledge and Skills

describe the purpose and function of retailers in the marketing channel

identify the major types of retailers

explain strategic issues in retailing

evaluate the various forms of direct marketing, direct selling, and vending

analyze franchising and describe the benefits and weaknesses

to explain the nature and functions of wholesalers

Transfer Goals

Businesses face a multitude of challenges in order to remain successful.

Collaboration and negotiation are pivotal skills in working with other parties.
