SOC.6.1.P.D.1	Describe characteristics of oneself, one's family, and others.
SOC.6.1.P.D.2	Demonstrate an understanding of family roles and traditions.
SOC.6.1.P.D.3	Express individuality and cultural diversity (e.g., through dramatic play).
SOC.6.1.P.D.4	Learn about and respect other cultures within the classroom and community.
SOC.6.1.P.D.CS1	Individuals and families have unique characteristics.
TECH.8.1.2.A.CS1	Understand and use technology systems.

Student Learning Objectives

Students will be able to...

- Recognize how they are the same.
- Recognize how they are different.
- Tell about themselves and their family.

Essential Questions

- How are you the same as your classmates?
- How are you different from your classmates?
- Where do you live?
- Who is in your family?

Enduring Understandings

Students will understand that...

- we are all alike, we are all different.
- we are all a part of a family.
- we all have different roles in our family and different family traditions.
- we respect and understand the views of others to help learn about various perspectives, thoughts and cultures.

Application

Students will be able to independently use their learning to...

- Draw a picture of self
- Draw and label a picture of family
- Articulate the importance and meaning of diversity

Skills

Students will be skilled at...

- draw a picture of selves.
- draw and label a picture of their families.
- discuss their roles in their families.
- share family traditions throughout the year.
