

Unit 10: Yard Games

Content Area: **Unified Arts**
Course(s): **Physical Education 2**
Time Period: **June**
Length: **10 Days**
Status: **Published**

Unit Summary

In this unit, students will be introduced to a variety of yard games. Students will learn the set up, rules, and scoring of each yard game. In addition, this unit will focus on appropriate behaviors and safety rules as well as the movement skills necessary to play each yard game.

Student Learning Objectives

Students will learn...

- the set up, rules, and scoring of each yard game.
- appropriate behaviors and safety rules.
- the movement skills necessary to play each yard game.
- the characteristics of good sportsmanship.

Essential Questions

- Do students need to be active to maintain health throughout their life?
- What skills and concepts are necessary to promote an active lifestyle?
- How are the principles of fitness and health applied to daily living?
- How are necessary social concepts and skills applied to enhance physical experiences?

Enduring Understandings

Students will understand that...

- individuals must follow rules when playing a yard game.
- each yard game has a set of rules for set up and scoring.
- it is important to display characteristics of good sportsmanship when playing yard games.

Application

Students will be able to independently use their learning to...

- follow the correct set up, rules, and scoring when playing a yard game.

- display positive sportsmanship when playing a yard game.

Skills

Students will be skilled at...

- playing yard games safely and correctly.
- displaying characteristics of positive sportsmanship.
