Course(s): **World Language K**
Time Period: **January**
Length: **4**

Unit Summary

Students will participate in several activities which use the target vocabulary in order to learn the shape names in Spanish. Students will continue to build their Spanish vocabulary in order to be able to communicate in a language other than English. While building their vocabulary, students will develop an appreciation for other cultures and for those who are learning English. They will also make connections between how words are pronounced, spelled and used between Spanish and English and hopefully learn ways to remember and practice this vocabulary. Each vocabulary unit helps the students take another step towards mastery.
