

# Unit 9 - Cooperative Game

Content Area: **Unified Arts**  
Course(s): **Physical Education 6**  
Time Period: **April**  
Length: **10 days**  
Status: **Published**

## Unit Summary

---

Cooperative games allow the students to work together to solve problems and complete challenges as a group. The games challenge the students at a physical level, cognitive level, and emotional level. All activities are completed in a safe, caring environment where all ideas are accepted and attempted as students communicate and collaborate to accomplish each task (even those without a single solution).
