Student Learning Objectives

- Students will learn to read and spell two-syllable words.
- Students will learn compound words.
- Students will learn syllable division rules for dividing between closed syllables with one or two consonants between syllables.
- Students will learn procedures for spelling words with more than one syllable.
- Students will learn spelling of **ic** at the end of multisyllabic words.
- Students will learn syllable division for two-syllable words with three or four consonants between the syllables.
- Students will learn reading and spelling words with three closed syllables.
- Students will learn reading and spelling multisyllabic words with a suffix.
- Students will learn demonstration words such as *insist, rapid, complex, conflict*.
- Students will learn high frequency words such as *want, friend, front, often, put, pull, full, push*.

Essential Questions

- What strategies can I use to read an unknown multisyllabic word?

- How do I mark sounds and divide syllables in unfamiliar words?
- How can spelling pattern rules help me with my reading and writing?

Enduring Understandings

- Students will understand that word analysis and decoding skills are foundational for success as a reader and writer.
