

Unit 10: Yard Games 4

Content Area: **Unified Arts**
Course(s): **Physical Education 4**
Time Period: **June**
Length: **3 classes**
Status: **Published**

Unit Summary

This mini unit of yard games allows the students to work in partners or small groups to learn and compete in various popular yard games. The yard games chosen are ones that students may be exposed to at family and friend social gatherings and will allow the students to get involved or initiate games.

Standards

HE.3-5.2.2.5.LF.1	Explain the need to engage in physical activities on a voluntary basis for emotional and physical enjoyment.
HE.3-5.2.2.5.PF.2	Accept and respect others of all skill levels and abilities during participation.
HE.3-5.2.2.5.MSC.3	Demonstrate and perform movement skills with developmentally appropriate control in isolated settings (e.g., skill practice) and applied settings (e.g., games, sports, dance, recreational activities).
HE.3-5.2.2.5.MSC.5	Correct movement skills and analyze concepts in response to external feedback and self-evaluation with understanding and demonstrating how the change improves performance.
HE.3-5.2.2.5.MSC.6	Execute appropriate behaviors and etiquette while participating as a player and viewing as an observer during physical activity, games, and other events, contributes to a safe environment.
HE.3-5.2.2.5.MSC.7	Apply specific rules, strategies, and procedures for specific physical activity, games, and sports in a safe active environment.

Student Learning Objectives

Students will work together to play the various yard games based on the written description of set up, rules, and scoring.
Students will initiate new games with other groups to work on social interactions.

Essential Questions

Why should I be actively involved in family and friend social gatherings?
How can these games be recreated if I do not have the exact equipment?

Enduring Understandings

The students will understand that yard games are beneficial for students to acquire skills like scorekeeping, social interactions, communication, and peer to peer

learning. These skills will be used throughout different areas of the students' lives.

Application

Students will be able to independently use their learning to be teach the various yard games to peers and family in and out of school.

Skills

Students will be skilled at:

- working in teams.
- using strategy.
- communicating.
- scorekeeping.
- improving hand eye coordination.
- improving frisbee skills.
- improving throwing skills.
- accuracy.
