

Unit 8: Volleyball 5

Content Area: **Unified Arts**
Course(s): **Physical Education 5**
Time Period: **January**
Length: **8 Classes**
Status: **Published**

Unit Summary

Volleyball is a common sport for many children. It is important for students to use the basic skills of volleyball in an isolated setting and also in a game-like setting in case they would like to play in a recreational league or with friends and family. The games will help the students with spatial awareness, movement as a team, offensive strategies, defensive strategies, and keeping score.

Standards

Student Learning Objectives

Students will learn to:

- perform proper bumping technique in a game setting.
- perform proper setting technique in a game setting.
- perform proper serving technique in a game setting.
