Enduring Understanding

Please add your Enduring Understandings by clicking on the Lists tab above.

- A caption tells information about an illustration or a photograph.
- Add -er to an adjective to compare two people, places, or things. Add -est to an adjective to compare three or more people, places, and or things.
- Asking questions can help to clarify meaning, identify the most important events in a story, or locate a specific answer in a selection.
- Bold print is important because the word may have something to do with the main idea of the selection, or it might be a word that is new to you and appear again in a selection.
- Contractions that are formed with the word NOT use an apostrophe to take the place of the letter o.
- Proper nouns name a special person or place.
- Visualizing can help readers understand the events, characters, and setting of a story when they read.
