Essential Questions

- How do context and the manner in which musical work is presented influence audience response?
- How do the other arts, other disciplines, contexts, and daily life inform creating, performing, and responding to music?
- How do we judge the quality of musical work(s) and performance(s)?

Enduring Understanding

- Experience the aural and spatial relationship between so, mi and la on a two line music staff.
- Reinforce the relationship of pitches on the staff, and discover the treble clef.
- Visualize the relationship between so and mi on a two line staff.

Purpose

- The purpose of this lesson is to discover the treble clef and reinforce pitch relationships on the staff.
- The purpose of this lesson is to experience the aural and spatial relationship between sol, mi, and la on a two line music staff.
- The purpose of this lesson is to visualize and hear the relationship between sol and mi on a two line staff.

Key Student Objectives

- Define mallet and demonstrate proper mallet technique.
- Identify that if sol and mi are on a line, la is in the space above sol.
- Recall that notes are placed on lines and in spaces.
- Recall the placement of sol and mi on the two line staff.
- Recognize that if sol is on a line, mi is on the line below it.
- Recognize that the treble clef tells us to play or sing higher notes.
- Sing sol, mi, and la in a song.
