

1 Tech - Communication and Innovation

Content Area: **Technology**
Course(s): **Technology Education 1**
Time Period: **Marking Period 4**
Length: **10 days**
Status: **Published**

Established Goals/Standards

Please choose the appropriate Goals/Standards from the Standards tab above.

TECH.8.1.2.B.1	Illustrate and communicate original ideas and stories using multiple digital tools and resources.
TECH.8.1.2.C.CS1	Interact, collaborate, and publish with peers, experts, or others by employing a variety of digital environments and media.
TECH.8.1.2.C.CS3	Develop cultural understanding and global awareness by engaging with learners of other cultures.
TECH.8.2.2.A	The Nature of Technology: Creativity and Innovation: Technology systems impact every aspect of the world in which we live.

Essential Questions

Please add your Essential Questions by clicking on the Lists tab above.

- How can I use digital and web-based media to collaborate with others?
- how does the appropriate choice of media allow for more effective communication?
- How is digital media used to relate information or a story?

Enduring Understanding

Please add your Enduring Understandings by clicking on the Lists tab above.

- Digital Media allows us to collaborate with other people and communities.
- In a world of media, it is important to be a critical user in order to understand the impact of both incoming and outgoing messages.
- The appropriate choice and creative use of media allows us to communicate effectively.

Content

Possible Activities:

illustrate and communicate original ideas and stories using digital tools and resources

use scanned /digital art to contribute to a digital book project

use word processing or a drawing program to create a presentation or document

use data to explore and relate patterns or information (e.g. weather, favorites survey)

Use graphic organizer program to brainstorm a topic, explore patterns of growth such as life cycles, compare life "then and now" or create a neighborhood or community map

participate in a class project with peers through ePals with other schools within or outside of the district

create a class newspaper or multimedia project

take a "virtual field trip" to places such as museums, zoos through websites or video conferencing
