Division of Units / Topics:

The goal of the semester Creative Writing course is to introduce students to five different genres of writing: descriptive writing, short stories, narrative writing, creative fiction, and poetry. Students will, first, explore each genre by reading samples and discussing them in class. They will then use the process of Writer's Workshop to create their own, original, work. Below is a suggested pacing guide for each unit - individual teachers may adjust the pace of each unit as necessary.

Unit 1: Poetry	20 Days

Unit 2: The Short Story	18 Days
Unit 3: Narrative Writing & The Memoir	18 Days
Unit 4: Creative Non-Fiction	18 Days
Unit 5: Desriptive Writing	16 Days
