## **Unit Overview**

---

"Wonders for English Learners offers instruction specifically designed to create learning experiences that inspire confidence, increase student engagement, and build language skills. Lessons emphasize building speaking, listening, reading, and writing skills to improve both academic and social language and accelerate progress in the core classroom. All instruction connects with core Wonders content, providing a seamless pathway for students to access content at their proficiency level, build understanding, and engage in the core classroom."

In Unit Four, ELLs will examine how to face challenges. Topics covered in Unit Four include changing environments, overcoming challenges, standing tall, shared experiences, and taking responsibility.

## **Enduring Understandings**

---

Week 1. Draw conclusions about how people face environments challenges.

Week 2. Investigate how determination and hard work help people overcome personal challenges.

Week 3. Discuss a difficult decision characters in the story must make.

Week 4. Draw conclusions about how people discover what they have in common.

Week 5. Identify why people should take responsibility.

## Essential Questions

---

During Unit 4, students will explore different themes and scenarios that will guide them in formulating their own thoughtful responses to this unit's BIG IDEA: "How do people meet challenges and solve problems?" Below, see how the BIG IDEA is explored through weekly "Concepts" and "Essential Questions" which form the basis for exploration and discussion throughout the week.

### Week 1:

**Concept:** Challenges

**Essential Question:** How do people meet environment challenges?

### Week 2:

**Concept:** Challenges

**Essential Question:** How do people meet personal challenges?

### Week 3:

**Concept:** Challenges

**Essential Question:** When are decisions hard to make?

### Week 4:

**Concept:** Challenges

**Essential Question:** How do people uncover what they have in common?

### Week 5:

**Concept:** Challenges

**Essential Question:** How can we take responsibility?

## **Exit Skills**

## **New Jersey Student Learning Standards (NJSLS)**

---

LA.RL.6.1

Cite textual evidence and make relevant connections to support analysis of what the text says explicitly as well as inferences drawn from the text.

LA.RL.6.2	Determine a theme or central idea of a text and how it is conveyed through particular details; provide a summary of the text distinct from personal opinions or judgments.
LA.RL.6.3	Describe how a particular story's or drama's plot unfolds in a series of episodes as well as how the characters respond or change as the plot moves toward a resolution.
LA.RL.6.4	Determine the meaning of words and phrases as they are used in a text, including figurative and connotative meanings; analyze the impact of a specific word choice on meaning and tone.
LA.RL.6.5	Analyze how a particular sentence, chapter, scene, or stanza fits into the overall structure of a text and contributes to the development of the theme, setting, or plot.
LA.RL.6.6	Explain how an author develops the point of view of the narrator or speaker in a text.
LA.RL.6.7	Compare and contrast the experience of reading a story, drama, or poem to listening to or viewing an audio, video, or live version of the text, including contrasting what they "see" and "hear" when reading the text to what they perceive when they listen or watch.
LA.RL.6.8	(Not applicable to literature)
LA.RL.6.9	Compare, contrast and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) texts in different forms or genres (e.g., stories and poems; historical novels and fantasy stories) in terms of their approaches to similar themes and topics.
LA.RL.6.10	By the end of the year read and comprehend literature, including stories, dramas, and poems at grade level text-complexity or above, scaffolding as needed.
LA.RI.6.1	Cite textual evidence and make relevant connections to support analysis of what the text says explicitly as well as inferences drawn from the text.
LA.RI.6.2	Determine a central idea of a text and how it is conveyed through particular details; provide a summary of the text distinct from personal opinions or judgments.
LA.RI.6.3	Analyze in detail how a key individual, event, or idea is introduced, illustrated, and elaborated in a text (e.g., through examples or anecdotes).
LA.RI.6.4	Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings.
LA.RI.6.5	Analyze how a particular sentence, paragraph, chapter, or section fits into the overall structure of a text and contributes to the development of the ideas.
LA.RI.6.6	Determine an author's point of view or purpose in a text and explain how it is conveyed in the text.
LA.RI.6.7	Integrate information presented in different media or formats (e.g., visually, quantitatively) as well as in words to develop a coherent understanding of a topic or issue.
LA.RI.6.8	Trace and evaluate the argument and specific claims in a text, distinguishing claims that are supported by reasons and evidence from claims that are not.
LA.RI.6.9	Compare, contrast and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) one author's presentation of events with that of another (e.g., a memoir written by and a biography on the same person).
LA.RI.6.10	By the end of the year read and comprehend literary nonfiction at grade level text-complexity or above, with scaffolding as needed.
LA.W.6.1	Write arguments to support claims with clear reasons and relevant evidence.
LA.W.6.2	Write informative/explanatory texts to examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant content.
LA.W.6.3	Write narratives to develop real or imagined experiences or events using effective technique, relevant descriptive details, and well-structured event sequences.
LA.W.6.4	Produce clear and coherent writing in which the development, organization, voice and style are appropriate to task, purpose, and audience. (Grade-specific expectations for

writing types are defined in standards 1–3 above.)

LA.W.6.5	With some guidance and support from peers and adults, develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach.
LA.W.6.6	Use technology, including the Internet, to produce and publish writing as well as to interact and collaborate with others; demonstrate sufficient command of keyboarding skills to type a minimum of three pages in a single sitting.
LA.W.6.7	Conduct short research projects to answer a question, drawing on several sources and refocusing the inquiry when appropriate.
LA.W.6.8	Gather relevant information from multiple print and digital sources; assess the credibility of each source; and quote or paraphrase the data and conclusions of others while avoiding plagiarism and providing basic bibliographic information for sources.
LA.W.6.9	Draw evidence from literary or informational texts to support analysis, reflection, and research.
LA.W.6.10	Write routinely over extended time frames (time for research, reflection, metacognition/self correction, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.
LA.SL.6.1	Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grade 6 topics, texts, and issues, building on others' ideas and expressing their own clearly.
LA.SL.6.2	Interpret information presented in diverse media and formats (e.g., visually, quantitatively, orally) and explain how it contributes to a topic, text, or issue under study.
LA.SL.6.3	Deconstruct a speaker's argument and specific claims, distinguishing claims that are supported by reasons and evidence from claims that are not.
LA.SL.6.4	Present claims and findings, sequencing ideas logically and using pertinent descriptions, facts, and details to accentuate main ideas or themes; use appropriate speaking behaviors (e.g., eye contact, adequate volume, and clear pronunciation).
LA.SL.6.5	Include multimedia components (e.g., graphics, images, music, sound) and visual displays in presentations to clarify information.
LA.SL.6.6	Adapt speech to a variety of contexts and tasks, demonstrating command of formal English when indicated or appropriate.
LA.L.6.1	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
LA.L.6.2	Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
LA.L.6.3	Use knowledge of language and its conventions when writing, speaking, reading, or listening.
LA.L.6.4	Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 6 reading and content, choosing flexibly from a range of strategies.
LA.L.6.5	Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.
LA.L.6.6	Acquire and use accurately grade-appropriate general academic and domain-specific words and phrases; gather vocabulary knowledge when considering a word or phrase important to comprehension or expression.

## Interdisciplinary Connections

6-8.MS-ESS3-4	Construct an argument supported by evidence for how increases in human population and per-capita consumption of natural resources impact Earth's systems.
6-8.MS-ESS3-3.2.1	students classify relationships as causal or correlational, and recognize that correlation does not necessarily imply causation. They use cause and effect relationships to predict phenomena in natural or designed systems. They also understand that phenomena may have more than one cause, and some cause and effect relationships in systems can only be described using probability.
HPE.2.6.6.A.1	Analyze the social, emotional, and health benefits of selected physical experiences.
HPE.2.6.6.A.5	Relate physical activity, healthy eating, and body composition to personal fitness and health.
SOC.6.3.8.CS1	Recognize the causes and effects of prejudice on individuals, groups, and society.
SOC.6.3.8.CS2	Recognize the value of cultural diversity, as well as the potential for misunderstanding.
SOC.6.3.8.CS4	Listen open-mindedly to views contrary to their own.
SOC.6.3.8.CS7	Recognize that the actions or inactions of individuals, groups, and nations can have intended and unintended consequences.

## Suggested Activities & Best Practices

---

### Unit 4, Week 1

- Review Weekly Vocabulary - display the Visual Vocabulary Cards alignment, calamity, generated, inconvenience, periodic, prolonged, tenacity. Have partners discuss the words using the photos and sentences. Have groups make up sentences with the words.
- Write About It - have partners work together to write 2-4 sentences explaining why it is important to know how the people of Johnstown responded to the challenge of each flood they faced.

### Unit 4, Week 2

- Review Weekly Vocabulary - display the Visual Vocabulary Cards assess, compensate, deteriorated, devastating, implement, peripheral, potential, summit. Have partners discuss the words using the photos and sentences. Then have them make up sentences with words.
- Write About It - have partners work together to write 2-4 sentences explaining how people overcome personal challenges.

### Unit 4, Week 3

- Review Weekly Vocabulary - display the Visual Vocabulary Cards benefactor, empathy, endeavor, entail, extensive, indecision, multitude, tentatively. Have partners discuss the words using the photos and sentences. Then have them make up sentences with the words.
- Write About It - ask or write on the board: What decision did Liz and Emma have to make? Was it a difficult decision? Have partners work together to write 2-4 sentences explaining Liz and Emma's decision.

### Unit 4, Week 4

- Review Weekly Vocabulary - display the Visual Vocabulary Cards adjustment, chattering, ember, mentor, nomadic, rapport, reunites, sturdy. Have partners discuss the words using the photos and sentences. Then have them make up sentences with the words. Have students sort the Weekly Vocabulary Words and More Vocabulary words in their notebooks according to part of speech.
- Write About It - have partners work together to write 2-4 sentences explaining how Silvina adjusts to life in Arizona.

### Unit 4, Week 5

- Review Weekly Vocabulary - display the Visual Vocabulary Cards answerable, lounge, obligation, proportion. Have partners discuss the words and make up sentences using the words. Have partners sort the weekly vocabulary words and more vocabulary words in their notebooks according to parts of speech.
- Write About It - have partners work together to write 2-4 sentences explaining what happened to Nilda's camera and how they think Rachel took responsibility for taking and losing it.

## Alignment to 21st Century Skills & Technology

---

Mastery and infusion of **21st Century Skills & Technology** and their Alignment to the core content areas is essential to student learning. The core content areas include:

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;
- Visual and Performing Arts.

CRP.K-12.CRP4.1

Career-ready individuals communicate thoughts, ideas, and action plans with clarity, whether using written, verbal, and/or visual methods. They communicate in the workplace with clarity and purpose to make maximum use of their own and others' time. They are excellent writers; they master conventions, word choice, and organization, and use effective tone and presentation skills to articulate ideas. They are skilled at interacting

with others; they are active listeners and speak clearly and with purpose. Career-ready individuals think about the audience for their communication and prepare accordingly to ensure the desired outcome.

CRP.K-12.CRP5.1

Career-ready individuals understand the interrelated nature of their actions and regularly make decisions that positively impact and/or mitigate negative impact on other people, organization, and the environment. They are aware of and utilize new technologies, understandings, procedures, materials, and regulations affecting the nature of their work as it relates to the impact on the social condition, the environment and the profitability of the organization.

CRP.K-12.CRP10.1

Career-ready individuals take personal ownership of their own education and career goals, and they regularly act on a plan to attain these goals. They understand their own career interests, preferences, goals, and requirements. They have perspective regarding the pathways available to them and the time, effort, experience and other requirements to pursue each, including a path of entrepreneurship. They recognize the value of each step in the education and experiential process, and they recognize that nearly all career paths require ongoing education and experience. They seek counselors, mentors, and other experts to assist in the planning and execution of career and personal goals.

TECH.8.1.8

Educational Technology: All students will use digital tools to access, manage, evaluate, and synthesize information in order to solve problems individually and collaborate and to create and communicate knowledge.

TECH.8.1.8.E

Research and Information Fluency: Students apply digital tools to gather, evaluate, and use information.

TECH.8.1.8.F

Critical thinking, problem solving, and decision making: Students use critical thinking skills to plan and conduct research, manage projects, solve problems, and make informed decisions using appropriate digital tools and resources.

# Differentiation

---

- Leveled Readers
- Differentiated Text
- The process will be differentiated through supplying three tiers of questioning for basic, intermediate, and advanced learners
- Student Practice Worksheets

## Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

## Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics

- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

#### **Lo-Prep Differentiations**

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

## **Special Education Learning (IEP's & 504's)**

---

- If children don't use descriptive words to talk about characters, plot or setting then review images from the story and have children describe what they see.
- If children use incorrect language when speaking about classroom work then provide different scenarios and model using the correct language for each.
- If children don't use academic language and lesson vocabulary in their writing then review academic language and lesson vocabulary in context.
- If children answer questions with one-word answers then repeat their answer using a complete sentence. Then have them try again.
- Special Education and Resource Room Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

## English Language Learning (ELL)

---

- Have children write a few sentences in response to the following prompt. Tell children you will ask them questions about what they wrote.

Week 1. Choose one of the environmental challenges you've read about this week and mention what people did to meet that challenge.

Week 2. How do people meet personal challenges? Give two examples.

Week 3. Choose one of the situations you've read about this week and mention what decision the character made.

Week 4. Describe two examples of ways that characters from this week's stories learned that they had things in common with other people.

Week 5. What can happen when people do not take responsibility for their actions?

- Prove sentence frames.
- Have partners collaborate.
- Ask and answer questions about this week's essential question for beginning, intermediate and advanced learners.
- ESL Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series. Furthermore, there are lessons designed to meet the needs of Beginning, Intermediate, and Advanced ESL students.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

## **At Risk**

---

- Use online Reteaching lessons for vocabulary, comprehension and writing.
- Use the Language Development Cards for grammar and vocabulary.
- Use Foundational Skills Lesson Cards for phonological awareness, phonemic awareness, phonics, word recognition, structural analysis, and fluency.
- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.

- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

## Talented and Gifted Learning (T&G)

---

At the end of each unit:

- Use the paragraph children wrote in Write to Two Sources for evaluation.
  - After children have finished their writing, meet with them one on one. After you've read their sentences or paragraphs, ask questions about what they wrote. You might ask them to expand on a fact or ideas they included or to explain why they included certain information.
  - If advanced children are able to write and express ideas to meet a variety of academic task, they may be ready to move to on-level for some tasks.
- 
- Above grade level placement option for qualified students
  - Advanced problem-solving
  - Allow students to work at a faster pace
  - Cluster grouping
  - Complete activities aligned with above grade level text using Benchmark results
  - Create a blog or social media page about their unit
  - Create a plan to solve an issue presented in the class or in a text
  - Debate issues with research to support arguments
  - Flexible skill grouping within a class or across grade level for rigor
  - Higher order, critical & creative thinking skills, and discovery
  - Multi-disciplinary unit and/or project
  - Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
  - Utilize exploratory connections to higher-grade concepts
  - Utilize project-based learning for greater depth of knowledge
