- supply/provide the vocabulary for building in one's community and describe buildings/stores and locations.
- describe where buildings/stores are in relationship to each other.
- identify items (of purchase) and activities (sports, hobbies, leisure activities) unique to each store or location.
- compare and contrast the hobbies /sports/leisure activities of target language to those of the US.

## **Enduring Understanding**

---

The students will know all parts of the house in the target language.

They will label house parts with objects around the house.

They will discuss their expectations of a house vs. different types of houses.

Different types of houses, buildings, and stores will be reviewed.

The furniture of the house will be discussed.

Create a house/apartment model.

They will experience working with teams a lot during this unit.

The students will describe body parts and compare different hobbies.

The similarities and differences will be reviewed between our hobbies in the US and Latin America and Spain.

## **Essential Questions**

---

Essential Questions are:

What are my expectations of a house?

How many different types of houses are there?

What is the difference between a ranch house, apartment, duplex, and a one single family home?

What are the rooms needed to complete a house?

Which are the rooms that are most important to a house?

Are there many things needed to furnish a house?

What does furnishing a house consist of?

What are the objects and steps that I need to create a house/apartment model?

What are great techniques to work as an effective team to create a project?

How are the body parts said in the target language?

What are our different hobbies?

## **Exit Skills**

---

Students will know:

Vocabulary related to home and school

Verb conjugations in present indicative: verbs ending in ARE/ERE/IRE

Identify and describe the rooms of the house and related activities

Categorize and identify rooms and chores done in the house by creating their own dream house and role playing

- Center-based instruction
- Token economy
- Study guides

- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

#### **Hi-Prep Differentiations:**

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

#### **Lo-Prep Differentiations**

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies

- Varied journal prompts
- Varied supplemental materials
