## **Enduring Understanding**

---

Enduring Understandings:

- Using pictures, movement, and acting words out can help my classmates and others understand me.
- Listening for familiar words and watching the speaker for clues will help me figure out what the speaker is saying.
- I can also figure out meaning by paying attention to pictures, titles and familiar expressions.
- I can only talk about things that I have practiced saying.
- Similar to English, I must use adjectives and other descriptors to make sure that my audience understands the message that I am trying to convey.

## **Essential Questions**

---

Essential Questions:

- What will help my classmates, my teacher and others understand me better?
- How can I better understand when I do not know everything I read and hear?
- How do describe something or someone in another language when I am just starting to learn it?
- When describing my family and self, what words do I need to use?

## **Exit Skills**

---

- Dialogues and exchanges about clothing
- Describe people by what they look like, what they wear and what they like to do
- Describe the clothing that they are wearing
- Use adjectives from previous unit such as words for describing people, colors and numbers, expressions “to like” “my favorite, and

## **Differentiation**

---

- **Students Below Target**
- Paired group activities
- Guided practice
- Role Play

- QAR
- Cooperative Learning
- Learning Buddies
- Time extensions
- Mentorships
- Provide grouping by difficulty level, with varying levels of support
- Provide different demonstrations or models
- Offer choice of response (verbal, using numerical representations, creating a dialogue)
- Visual cues found on worksheets
- Advance notice of assignments
- Review with study skills and strategies training.

**Differentiations:**

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

**Hi-Prep Differentiations:**

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading

- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

#### **Lo-Prep Differentiations**

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

### **English Language Learning (ELL)**

---

Extra time to read questions on assessments-Give students more time on rereading questions about the clothing vocabulary translations.

Provide vocabulary visuals-Provide vocabulary visuals on clothing and weather vocabulary words.

Monitor comprehension-Have students repeat directions to check for understanding: matching objects to visual aids on weather vocabulary words.

- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

## **At Risk**

---

Extra time-Check for students understanding on matching clothing and weather vocabulary words.

Have students repeat directions on exercise, matching, fill-in correct clothing vocabulary words.

- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving

- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

## **Talented and Gifted Learning (T&G)**

---

Student driven projects and presentations--Student presents a brief skit on questions and responses on:

- Clothing and weather vocabulary words.
- Compare & Contrast weather of target country with the US.
- Skits-Role-play on purchasing clothing item included in a brief skit.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
