Sample Lesson

Unit Name: Ballet

NJSLS: See above

Interdisciplinary Connection: Language Arts and Social Studies

Statement of Objective: Students will be able to synthesize new information and develop a presentation analyzing why it's important to continuously develop and maintain specific dance techniques. Students will also be able to practice and present proper dance form.

Anticipatory Set/Do Now: Watch a short clip from a dance film - as you watch, write down specific things you're noticing about the dance movements.

Learning Activity: Breaking down dance into specific movements and creating a "how - to" guide (alone or with peers) to share with the class.

Student Assessment/CFU's: Sharing completed guide, walk and check.

Materials: You Tube, Chromebooks, materials needed for presentation (students can choose to do this online and create a Power Point or on poster board), paper, markers, index cards (for poster board presentation).

21st Century Themes and Skills: See above

Differentiation/Modifications: Adjust group size for work - smaller groups to allow for more interaction.

Integration of Technology: Utilize You Tube to share examples of movements being discussed. Allow students to create their own representation and share with classmates via Google classroom. Allow students to use their Chromebooks to look up and share information.
