(Comparing “The Story of My Life,” *How I Learned to Talk* video, and Malala news article AND Unit 5 of MyPerspectives ELA Text)

Belleville Board of Education

102 Passaic Avenue

Belleville, NJ 07109

Prepared by: Ms. Diana Kucko

Dr. Richard Tomko, Ph.D., M.J., Superintendent of Schools

Ms. LucyAnn Demikoff, Director of Curriculum and Instruction K-12

Ms. Nicole Shanklin, Director of Elementary Education

Mr. George Droste, Director of Secondary Education

Board Approved: Anticipated, September 23, 2019; Revised 8/17/2020

Unit Overview

In this final unit, seventh graders will continue to improve their skills in reading, writing, research, language, and speaking and listening. They will read and analyze informative text. They will also read a novel excerpt, news article, and short stories to better understand the ways writers express ideas. Throughout the unit, students will be engaged in a Writer's Workshop model focusing around informative text. They will learn the elements of writing informative text. Students will write for a number of reasons, including organizing and sharing ideas, reflecting on experiences, and gathering evidence. They will conduct research to clarify and explore ideas. Students will develop a deeper understanding of using coordinate adjectives. They will then practice using coordinate adjectives here in their own writing. They will work together to build on one another's ideas, develop consensus, and communicate with one another. They will also learn to incorporate audio, visuals, and text in presentations.

Enduring Understanding

- Reading expands understanding of the world, its people and oneself.
- Readers use strategies to construct meaning.
- Authors make intentional choices that are designed to produce a desired effect on the reader
- Writing is a multi-stage process.

Essential Questions

- How do we overcome obstacles?

- What makes science fiction believable?
- Does science fiction bring us to greater understanding of what could be or make us fear the unknown?

Exit Skills

By the end of this unit 7th grade ELA students will be able to:

- demonstrate the meaning of adversity
- read and analyze explanatory various texts
- expand knowledge and use of academic and thematic vocabulary
- write an explanatory text to examine a topic and convey ideas
- conduct research projects of various lengths to explore a topic and clarify meaning
- compose rough drafts
- revise drafts utilizing self/peer/teacher conferencing
- compose final drafts appropriate to composition form
- use literature and informational text as support for writing activities
- increase competencies in composition and grammar
- demonstrate command of coordinate adjectives
- collaborate with team to build on ideas of others, develop consensus, and communicate
- integrate audio, visuals, and text in presentation

New Jersey Student Learning Standards (NJSL-S)

Please find below a list of 2016 New Jersey Student Learning Standards for English Language Arts (as most current) required by the first required benchmark, Unit #4

LA.RL.7.1	Cite several pieces of textual evidence and make relevant connections to support analysis of what the text says explicitly as well as inferences drawn from the text.
LA.RI.7.9	Analyze and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) how two or more authors writing about the same topic shape their presentations of key information by emphasizing different evidence or advancing different interpretations of facts.
LA.W.7.2.A	Introduce a topic clearly, previewing what is to follow; organize ideas, concepts, and information, using text structures (e.g., definition, classification, comparison/contrast, cause/effect, etc.) and text features (e.g., headings, graphics, and multimedia).
LA.W.7.2.B	Develop the topic with relevant facts, definitions, concrete details, quotations, or other information and examples.
LA.W.7.2.C	Use appropriate transitions to create cohesion and clarify the relationships among ideas

	and concepts.
LA.W.7.2.D	Use precise language and domain-specific vocabulary to inform about or explain the topic.
LA.W.7.2.E	Establish and maintain a formal style academic style, approach, and form.
LA.SL.7.5	Include multimedia components and visual displays in presentations to clarify claims and findings and emphasize salient points.
LA.L.7.1	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

Interdisciplinary Connections

SCI.MS-ESS3-5	Ask questions to clarify evidence of the factors that have caused the rise in global temperatures over the past century.
SCI.MS-ESS3-3	Apply scientific principles to design a method for monitoring and minimizing a human impact on the environment.
SCI.MS-ESS3-4	Construct an argument supported by evidence for how increases in human population and per-capita consumption of natural resources impact Earth's systems.
SCI.MS-ESS3-2	Analyze and interpret data on natural hazards to forecast future catastrophic events and inform the development of technologies to mitigate their effects.

Learning Objectives

Students will be able to:

- Compare and contrast the settings, characters, and unusual circumstances among science fiction stories and describe the unique nature of this genre
- Analyze how a science fiction story evolves over the course of a text, and discuss how this is similar to and different from other novels read
- Compare and contrast the way two authors present information on the same topic
- Conduct research on a science fiction author of choice OR on current technology innovations and present findings to the class in a multimedia format
- Write an informative composition

Suggested Activities & Best Practices

- Use Challenge for Reading Support for Advanced students
- Establish a positive atmosphere for writing, reading, and learning.
- Whole-class learning
- Small-group learning
- Independent learning
- Close reading
- Analyze the text
- Analyze craft and structure- Read "The Story of My Life" by Helen Keller and discuss how the author's tone influences the readers

- Concept vocabulary
- Word Study
- Conventions- Peer edit typed draft of RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai
- Speaking and listening
- Assessments- Compose RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai

Assessment Evidence - Checking for Understanding (CFU)

- Pear Deck: A Google Slides add on where teachers can embed CFU questions within a Google Slides presentation.
- Admit Tickets- Before students read and read the news article about Malala Yousafzai, ask: How can we turn our challenges into triumphs? (formative assessment)
- Unit tests (summative assessment)
- Assessments- Compose RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai. (alternate assessment)
- Compare & Contrast- After we read "The Story of My Life" by Helen Keller, Malala news article, and watched "How I Learned to Talk" video, students will be given a t-chart "Compare and Contrast Evidence Log" for the 3 texts we've discussed.
- Students will take note of Obstacles faced, the type of obstacle, and how they were able to overcome it. (benchmark assessment)

- Admit Tickets- Before students read and read the news article about Malala Yousafzai, ask: How can we turn our challenges into triumphs?
- Anticipation Guide
- Compare & Contrast- After we read "The Story of My Life" by Helen Keller, Malala news article, and watched How I Learned to Talk video, students will be given a t-chart "Compare and Contrast Evidence Log" for the 3 texts we've discussed. They will take note of Obstacles faced, the type of obstacle, and how they were able to overcome it.

Reflect on the Unit page 539

Once you have completed Unit 5, please refer to the Teaching with Trade Books section in My Perspectives English Language Arts book or online in the Interactive Teacher's Edition for suggestions on how to incorporate the following thematically-related novel in this unit:

No Promises in the Wind by Irene Hunt

Ancillary Resources

- Use End-of-Year Test as Post-SGO
- *Common Core Progress*
- NewsELA
- Scholastic Scope magazine
- ReadWorks.org
- Commonlit

Technology Infusion

What technology can be used in this unit to enhance learning? Some sites, apps., and programs are listed below, but not limited to:

Suggested activities and best practices:

Use of Pearson Realize online for writing tool with feedback (Narrative and Open-ended writing using Google Docs)

Use of Google Classroom for Formative Assessment with all readings (Google Forms)

Use of paired Newsela articles to connect fiction text to non-fiction

Understand:

- Google Classroom - Google Suite for Education
- Word Processing/ Typing essays
- Microsoft Office Suite where applicable
- Apple iWorks Suite where applicable
- Edmodo - Education social networking
- Blog Journaling
- Padlet - For collaboration purposes as well as discussions and debriefings

Apply:

- Story telling - Comic Life
- Movie Making
- GarageBand

Analyze:

- Google Forms
- Survey Monkey
- PollEverywhere.com
- Use of listening stations

Evaluate:

- Self-Assessment with online Rubric - use of Google Docs
- PearDeck
- Pic Collage
- Online quizzes in Google Forms
- Online quizzes in Edmodo
- Twitter for Educators - commenting
- Backchanneling - Today's Meet - commenting
- Plickers (CFUs)
- Kahoot!

Create:

- Google Suite for Education, Google Slides or Sites
- Flipgrid
- Prezi presentations or Excel
- Listening to Podcasts and/or audio
- Remind 101 App - Text updates
- Use of Webquests
- Photostory
- Newsela

Differentiation

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Center-based instruction
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text- While reading "The Story of My Life" by Helen Keller to prepared for the RST essay, students will highlight and dissect the story and analyze how she was able to overcome her obstacles.
- Student(s) work with assigned partner
- Visual presentation- Incorporate How I Learned to Talk video as one of the three texts for the RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations

- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

Please find a list of Special Education Learning adaptations that may be employed in the unit, using the ones identified below.

Specific activities related to Unit 1 are:

- Extended time on all Google Form formative assessments
- Use of highlighted text tool while using Newsela - color code for what you understand and what you would like further clarification on
- Use of color coded RACER system, while constructing open-ended answers to questions
- Students paired with heterogeneous partners while doing required writing assignments

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner- Students will peer-edit their assigned partner's RST first draft using an organizer - making sure assigned peers are using correct RST Model and Evidence.
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

Please find a list of English Language Learning adaptations that may be employed in the unit, using the ones identified below.

Specific activities related to Unit 4 are:

- Provide study guides and open-book assessments for all texts

- Using "Grammarly" or other technology program to help correct spelling and/ or mechanics while writing
- Create project-based-learning for a visual connection to all readings (Example: poster board on Google Slides or one-pager for any reading)

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)- students will swap notebooks and edit rough drafts of their RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai.
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features- students will self edit their rough draft RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

Please find a list of Intervention Strategies that may be employed in the unit, using the ones identified below.

Specific activities related to Unit 4 are:

- Provide study guides and open-book assessments for all texts
- Tutoring or paired with peers who can assist in keeping focus on all studies - applies to all readings and work in Unit 4
- Create problem-based-learning for a real-life authentic connection to all readings

- allowing students to correct errors (looking for understanding)- students will swap notebooks and edit rough drafts of their RST essay comparing and contrasting obstacles of Helen Keller and Malala Yousafzai.
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards,

charts, graphs, slide shows, videos, etc.) to demonstrate student's learning

- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes- For example, when assessing students' RST essays comparing and contrasting obstacles of Helen Keller and Malala Yousafzai focus on the positive aspects of the writing such as having a clear thesis statement.
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

Please find a list of the Talented and Gifted adaptations that may be employed in the unit, using the ones identified below.

Specific activities related to Unit 4 are:

- Higher level thinking and problem solving questions, created by students for students
 - Partnered by skill for essay writing - all applicable readings in this Unit
 - Option to write an additional composition within the unit genre.
-
- Above grade level placement option for qualified students
 - Advanced problem-solving
 - Allow students to work at a faster pace- While working on RST essay, students will read and get into their Lit. Circles and discuss *Chains* by Laurie Halse Anderson in preparation for test
 - Cluster grouping
 - Complete activities aligned with above grade level text using Benchmark results
 - Create a blog or social media page about their unit
 - Create a plan to solve an issue presented in the class or in a text
 - Debate issues with research to support arguments

- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery- create Higher Order Thinking Questions as students read "The Story of My Life" by Helen Keller, Malala news article, and watch How I Learned to Talk video and pose them to class
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge

Sample Lesson

Unit Name: Unit 4: (Unit 5 of MyPerspectives English Language Arts text) Facing Adversity
 NJLS:RL.7.1 Cite several pieces of textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text.

RL.7.2 Determine a theme or central idea of a text and analyze its development over the course of the text; provide an objective summary of the text.

W.7.2. Write informative/explanatory texts to examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant content.

Interdisciplinary Connection: History

Statement of Objective: Today, I will read and analyze an informational text and write an informational essay based on the text. I'll know I've got it when I can successfully write an informational essay based on the text.

Anticipatory Set/Do Now: Bellwork: Entrance ticket: What have you learning and what more do you want to know about facing adversity and overcoming obstacles?

Learning Activity: Tier I -as a class, watch video on Independent Learning Strategies

Tier II- on own, students will preview Independent Learning reading selections and choose their reading selection based on entrance ticket

Students will plan what strategies they will use. They should use strategies devised on own during whole class and small group learning and come up with an action plan for independent learning. During their independent reading, students will use strategies to write an informative essay responding to this question: How can people overcome adversity in the face of overwhelming obstacles?

Student Assessment/CFU's: 3 minute pause
