Board Approved: September 23, 2019

Unit Overview

In this Unit students will utilize critical thinking, legal reasoning, listening, and writing skills to develop persuasive arguments in support of a person involved in a legal dispute. Students will rely upon knowledge acquired in substantive areas of law to advocate for their side. Students will work co-operatively role play the parts of lawyers and witnesses during the mock trial presentations. Students will be responsible for all legal research necessary to prepare the cases for trial. Students will represent either the prosecution/plaintiff or the defense and advocate for their side. Student jurors and the judge will evaluate the mock trial presentation, deliberate, and render a verdict.

Enduring Understanding

Students will value the ability to work co-operatively on a team to gather, organize, and present information using effective writing, speaking, listening and problem solving skills. Students will realize that legal reasoning problem solving skills can be utilized to resolve all types of issues and disputes in both their

personal and professional lives. Participating in mock trial will enable students to understand how the legal process works and how our constitutional rights act as a shield against possible human rights violations.

Essential Questions

- What are the elements of persuasive writing?
- What are effective persuasive speaking techniques,
- How can we develop listening skills that allow us to incorporate recently acquired information into a presentation.
- How can we utilize legal reasoning problem solving skills and apply appropriate legal principals to resolve legal disputes.
- What are elements of effective research skills to investigate an issue or problem.
- What are the benefits of working co-operatively within a group or team to gather, organize, and present information.

Exit Skills

By the end of Unit 5, the student should be able to:

- Demonstrate effective writing, speaking, listening and problem solving skills.
- Apply appropriate legal principals to resolve legal disputes.
- Demonstrate effective research skills to investigate an issue or problem.
- Communicate using effective public speaking skills.
- Work co-operatively within a group to gather, organize, and present data.

Suggested Activities & Best Practices

- Reading and outlining text
- Teacher oriented class discussion
- Use of PowerPoint to reinforce outlines
- Reaction Papers
- Team debate
- Answering questions
- Vocabulary
- Analyze Real Cases

Assessment Evidence - Checking for Understanding (CFU)

- Students will create outlines that will be reviewed and revised based on PowerPoint Presentation and class discussion-alternate assessment
 - Checklists and Google Classroom will be used to review student work for comprehension and understanding
 - Reviewing Reaction Papers and observation during ensuing class discussion
 - Unit test-summative assessment
 - Explaining-formative assessment
 - Create a Multimedia poster-benchmark assessment
-
- Admit Tickets
 - Anticipation Guide
 - Common Benchmarks
 - Compare & Contrast
 - Create a Multimedia Poster

21st Century Skills/Interdisciplinary Themes

Please list only the **21st Century/Interdisciplinary Themes** that will be incorporated into this unit.

- Communication and Collaboration
- Creativity and Innovation
- Critical thinking and Problem Solving
- ICT (Information, Communications and Technology) Literacy
- Information Literacy
- Life and Career Skills
- Media Literacy

21st Century Skills

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy
- Global Awareness

Differentiation

- Students will be given additional time for completion of assignments or assessments
- Cooperative grouping to enhance and elevate student productivity during legal research projects such as mock trials
- Use of visual and auditory presentations (i.e. PowerPoint, video clips, pictures) to introduce and support lesson delivery

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary

- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

- Students will work in cooperative groups to prepare Unit outline
 - Students will use Unit outline to complete Unit assignments and assessments
 - Students will work cooperatively to resolve legal disputes using Legal Reasoning problem solving skills
-
- printed copy of board work/notes provided
 - additional time for skill mastery
 - assistive technology
 - behavior management plan
 - Center-Based Instruction
 - check work frequently for understanding
 - computer or electronic device utilizes
 - extended time on tests/ quizzes
 - have student repeat directions to check for understanding
 - highlighted text visual presentation
 - modified assignment format
 - modified test content
 - modified test format
 - modified test length
 - multi-sensory presentation
 - multiple test sessions
 - preferential seating
 - preview of content, concepts, and vocabulary
 - Provide modifications as dictated in the student's IEP/504 plan
 - reduced/shortened reading assignments
 - Reduced/shortened written assignments
 - secure attention before giving instruction/directions
 - shortened assignments
 - student working with an assigned partner
 - teacher initiated weekly assignment sheet
 - Use open book, study guides, test prototypes

English Language Learning (ELL)

- Students will work with a peer tutor on Unit assignments and assessments
- Assignments will be modified to enable students to focus on selected objectives such as legal vocabulary by providing a glossary
- Students and teacher will use translation apps to enable students to focus on selected objectives such as legal vocabulary

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

- Students will be provided with Unit PowerPoint study guide
- Students will be allowed to use study guide/outline on Unit assessments
- Alternate assessments will be used such as Reaction Papers focusing on current events

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes

- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

- Students will use Legal Reasoning problem solving skills to resolve legal disputes
 - Students will work in groups to represent each side of legal dispute and present arguments to student jurors
 - Students will identify a current legal issue and present the issue and arguments on class web page for other students to participate in a threaded discussion
-
- Above grade level placement option for qualified students
 - Advanced problem-solving
 - Allow students to work at a faster pace
 - Cluster grouping
 - Complete activities aligned with above grade level text using Benchmark results
 - Create a blog or social media page about their unit
 - Create a plan to solve an issue presented in the class or in a text
 - Debate issues with research to support arguments
 - Flexible skill grouping within a class or across grade level for rigor
 - Higher order, critical & creative thinking skills, and discovery
 - Multi-disciplinary unit and/or project
 - Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
 - Utilize exploratory connections to higher-grade concepts
 - Utilize project-based learning for greater depth of knowledge
