UNIT 2: MANAGING YOUR MONEY

Belleville Board of Education

102 Passaic Avenue

Belleville, NJ 07109

Prepared by: INSTRUCTOR, LORAIN GAMMARO

Dr. Richard Tomko, Ph.D., M.J., Superintendent of Schools

Ms. LucyAnn Demikoff, Director of Curriculum and Instruction K-12

Ms. Nicole Shanklin, Director of Elementary Education K-8, ESL Coordinator K-12

Mr. George Droste, Director of Secondary Education

Board Approved: September 23, 2019

Unit Overview

This unit introduces students to Money Management via the *Share, Save, Spend* system. Emphasis will be placed on establishing healthy financial habits, philanthropy as part of a financial plan, keeping records and paying taxes. Budgeting and checking accounts will also be a focus, where students will define goals, work on personal budgets, assess banking tools and utilize a checking account. Following exploration, students will apply concepts to the creation of a spending plan that is tied to their personal goals, awareness of charitable organizations, simulate file scenarios and tax preparation. Banking concepts will be applied to opening accounts, writing checks and preparing bank reconciliations. This unit is a prelude to learning in the area of personal saving and investment options which will become part of financial planning in the future.

Enduring Understanding

- - Money management is a process by which we personally establish and maintain budgets that take into account our personal and financial goals.
 - Throughout life, students will realize the importance of financial management and possess the ability to create budgets that support the different stages of their life cycle
 - Understanding the significance of the connection between personal and financial goals
 - Students will be able to proactively realize needs and opportunities related to spending, saving and sharing
 - Students, throughout life will understand and appreciate the importance of "giving back" to causes they choose to support
 - Students will be cognizant of tax deductions from paychecks as well as itemized deductions for future tax preparation
 - Students will know options available to them in setting up savings and checking accounts and the "look fors" when choosing a financial institution

Differentiation

- Extra time to complete assignments, i.e., budget and tax preparation; family financial management project
- Study Guides
- Use manipulatives, for this lesson reinforce concepts of fixed vs. variable expense
- Small group instruction following whole group introduction of concepts
- Small groups setting
- Flexible grouping
- Multi-sensory approaches
- Pairing Oral instruction w/visuals
- Group Assignments and Projects (Wilson Family budget; Family Financial Management)
- Project based learning
- Tiered activities/assignments
- Leveled Rubrics
- Think-Pair Share (roundtable)

- Alternative assessments (student choice)

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers

- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

Please identify the **Special Education Learning** adaptations that will be employed in the unit, using the ones identified below.

- Provide modifications as dictated in the student's IEP/504 plan
 - Additional time on assignments/assessments (budget, tax prep, charitable organization research, housing/car research)
 - Notes/presentations on Google Classroom
 - Highlighted text visual presentation
 - Modified assignments
 - Shortened assignments (short form budgets and fewer questions)
 - Multi-sensor presentation (presentations on SMART TV, on Google Classroom and paper copies for students as appropriate)
 - Modified test formats (written/verbal vs. Google form)
 - Open book/Study Guides
 - Preferential seating
 - Peer mentoring
-
- printed copy of board work/notes provided
 - additional time for skill mastery
 - assistive technology
 - behavior management plan

- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

- Translation of content/activities (Port of Entry) supporting terms and definitions related to financial planning and creation of budgets
 - Assignments submitted in native language (Port of Entry)
 - Modifying assignments related to creation of budgets and provide alternatives to role-play)
 - Review assignment/project directions (model)
 - Open book/notes options
 - Tutoring by peers to reinforce concepts
 - Modifying tests to reflect selected objectives
-
- teaching key aspects of a topic. Eliminate nonessential information
 - using videos, illustrations, pictures, and drawings to explain or clarify
 - allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
 - allowing students to correct errors (looking for understanding)
 - allowing the use of note cards or open-book during testing
 - decreasing the amount of work presented or required

- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

- Peer tutoring on budget line items
 - Correction and resubmission of work related to community service research/budget and tax deliverables
 - Model concepts of assessing needs vs. wants to support fixed vs. variable expense and savings concepts within a budget
 - Evaluating correct work; collaborating with student on incorrect work
 - Additional time to complete assignments
-
- allowing students to correct errors (looking for understanding)
 - teaching key aspects of a topic. Eliminate nonessential information
 - allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
 - allowing students to select from given choices
 - allowing the use of note cards or open-book during testing
 - collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
 - decreasing the amount of work presented or required
 - having peers take notes or providing a copy of the teacher's notes
 - marking students' correct and acceptable work, not the mistakes
 - modifying tests to reflect selected objectives
 - providing study guides
 - reducing or omitting lengthy outside reading assignments
 - reducing the number of answer choices on a multiple choice test
 - tutoring by peers
 - using authentic assessments with real-life problem-solving
 - using true/false, matching, or fill in the blank tests in lieu of essay tests
 - using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

- Complete activities above grade level

- Advanced problem-solving related to creating budgets and tax records (leadership roles within teams)
 - Teacher-selected instructional strategies (simulations) focused to provide challenge, engagement, and growth opportunities ("simulated budget" based on "the future")
 - Simulated project modules utilizing technology at higher level to create and analyze financial documents
 - Higher order, critical and creative thinking skills, and discovery related to analysis of budgets and recommendations for revisions in order to remediate deficit scenarios
-
- Above grade level placement option for qualified students
 - Advanced problem-solving
 - Allow students to work at a faster pace
 - Cluster grouping
 - Complete activities aligned with above grade level text using Benchmark results
 - Create a blog or social media page about their unit
 - Create a plan to solve an issue presented in the class or in a text
 - Debate issues with research to support arguments
 - Flexible skill grouping within a class or across grade level for rigor
 - Higher order, critical & creative thinking skills, and discovery
 - Multi-disciplinary unit and/or project
 - Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
 - Utilize exploratory connections to higher-grade concepts
 - Utilize project-based learning for greater depth of knowledge
