Unit Overview

Students will demonstrate fluency in communicating concepts using dance terminology. Students will provide examples of cultural and historical influences in dance using Dance History. Students will compare and contrast the thematic content and feelings of several dance compositions.

Enduring Understanding

An intelligent dancer is not only technical but also understands the roots of their art form.

Dance can influence or be influenced by society and the environment.

Essential Questions

How are forms of Dance influenced by time, place and people?

How have dancers today been influenced by dancers of the past?

Exit Skills

- Significant choreographers throughout history and understand their social, political, and historical influence in Dance.
- Various movement and aesthetic styles of significant artistic works in Dance that represent various historical periods, world cultures, and social/political influences.
- Relationship of philosophies and values of movement among various individuals and the societies in which they are created.
- Communication and understanding of movement ideas through the proper use of Dance vocabulary and terminology.

New Jersey Student Learning Standards (NJSLS-S)

1.1.12acc.Cr2a	Work individually and collaboratively to design dance studies that integrate and recombine movement vocabulary, choreographic devices and dance structures drawn from a variety of dance genres. Explain how the dance vocabulary and structures clarify the artistic intent.
1.1.12acc.Cr2b	Develop an artistic statement that reflects a personal aesthetic for an original dance study or dance. Select and demonstrate movements that support the artistic statement.
1.1.12acc.Re7a	Use genre-specific dance terminology to analyze dance works, recurring patterns of movement and their relationships that create structure and meaning in dance.
1.1.12acc.Re7b	Analyze and compare the movement patterns and their relationships in a variety of genres, styles, or cultural movement practices and explain how their differences impact communication and intent within a cultural context. Use genre-specific dance terminology.
1.1.12acc.Re8a	Analyze and discuss how the elements of dance, execution of dance movements and context contribute to artistic expression in a variety of genres, styles or cultural movement practices using genre specific terminology.
1.1.12acc.Re9a	Differentiate artistic criteria to determine what makes an effective performance and justify the point of view. Consider content, context, genre, style, and/or cultural movement practice to comprehend artistic expression. Use genre-specific dance terminology.
1.1.12acc.Cn10a	Evaluate personal choreography and how personal experiences and exposure to various cultures influences individual, emotional, intellectual, and kinesthetic responses to dance works.
1.1.12acc.Cn11	Relating artistic ideas and works within societal, cultural, and historical contexts to deepen understanding.
1.1.12acc.Cn11a	Analyze how the role of dance in a global society has influenced various cultures, societies and historical periods throughout history. Examine how innovations in the arts have impacted dance-making in these communities in relation to the ideas and perspectives of the people from whom the dances originate.

Interdisciplinary Connections

9.4.12.CT	Critical Thinking and Problem-solving

Differentiation

Differentiations:

- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Study guides
- Scheduled breaks
- Rephrase written directions
- Additional time
- Preview vocabulary
- Preview content & concepts
- Student(s) work with assigned partner
- Visual presentation

- Assistive technology
- Auditory presentations
- Large print edition
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Independent research and projects
- Multiple intelligence options
- Multiple texts
- Project-based learning

Lo-Prep Differentiations

- Flexible grouping
- Goal setting with students
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content

- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarif
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student’s learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher’s notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information

- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
