Unit Overview

Throughout this unit, Reflecting On Society, students will deepen their perspective on the topic of reform by reading, writing, speaking, listening, and presenting. These goals will help the succeed on the Unit Performance-Based Assessment.

Enduring Understanding

READING:

- Read a variety of texts to gain the knowledge and insight needed to write about social reform.
- Expand your knowledge and use of academic and concept vocabulary.

WRITING AND RESEARCH:

- Write an explanatory essay that contains a clear thesis statement and is developed using facts and details from texts and original research.
- Conduct research projects of various lengths to explore a topic and clarify meaning.

LANGUAGE:

- Maintain a formal style including following the conventions of hyphenation of formal writing.

SPEAKING AND LISTENING:

- Collaborate with your team to build on the ideas of others, develop consensus, and communicate.
- Integrate audio, visuals, and text to present information.

Essential Questions

- How do people come to have different views of society?
- Which aspects of society would you change? Which would you keep?

Exit Skills

- **Conduct research to clarify and explore ideas**
- **Read arguments, nonfiction narratives, and fictional narratives to understand how writers express ideas**
- **Write explanatory essays**
- **Build on one another's ideas, develop consensus and communicate with each other**
- **Understand argument, satire, and reform**

New Jersey Student Learning Standards (NJSLS-S)

| | |
|-----------------|---|
| LA.RL.11-12.3 | Analyze the impact of the author's choices regarding how to develop and relate elements of a story or drama (e.g., where a story is set, how the action is ordered, how the characters are introduced and developed). |
| LA.RL.11-12.5 | Analyze how an author's choices concerning how to structure specific parts of a text (e.g., the choice of where to begin or end a story, the choice to provide a comedic or tragic resolution) contribute to its overall structure and meaning as well as its aesthetic impact. |
| LA.RL.11-12.7 | Analyze multiple interpretations of a story, drama, or poem (e.g., recorded or live production of a play or recorded novel or poetry), evaluating how each version interprets the source text. (e.g., Shakespeare and other authors.) |
| LA.RL.11-12.10b | By the end of grade 12, read and comprehend literature, including stories, dramas, and poems, at grade level or above. |
| LA.RI.11-12.1 | Accurately cite strong and thorough textual evidence, (e.g., via discussion, written response, etc.), to support analysis of what the text says explicitly as well as inferentially, including determining where the text leaves matters uncertain. |
| LA.RI.11-12.3 | Analyze a complex set of ideas or sequence of events and explain how specific individuals, ideas, or events interact and develop over the course of the text. |
| LA.RI.11-12.10b | By the end of grade 12, read and comprehend literary nonfiction at grade level text-complexity or above. |
| LA.W.11-12.1 | Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence. |
| LA.W.11-12.1.A | Introduce precise, knowledgeable claim(s), establish the significance of the claim(s), distinguish the claim(s) from alternate or opposing claims, and create an organization that logically sequences claim(s), counterclaims, reasons, and evidence. |

Suggested Activities & Best Practices

- **SUPPLEMENT THE UNIT:** Form literature circles and have students read one of the trade books (See Ancillary Resources below) throughout the course of the unit as a supplement to the selections and activities.
- **SUBSTITUTE FOR UNIT SELECTIONS:** If you replace unit selections with a trade book, review the standards taught with those selections. Teacher Resources that provide practice with all standards are available.
- **EXTEND INDEPENDENT LEARNING:** Extend the unit by replacing independent reading selections with one of the trade books.
- **PACING:** However you chose to integrate trade books, the Pacing Guide offers suggestions for

aligning the trade books with the unit.

ADDITIONAL ACTIVITIES:

- **Whole Class Learning:** As students work through Whole-Class Learning they will develop strategies to work in large group environments. Media Video
- **Small Group Learning:** As students work through Small-Group Learning they will develop strategies to work in small group environments. Media News Article
- **Independent Learning:** As students work through Independent Learning they will develop strategies to work on their own. Media Informational Text
- **Unit Reflections**
- **Interactive Student Edition (My Perspectives and Online Activites)**
- **Unit Performance Based Assessment**
- **Write an explanatory essay: How does Chaucer find humor in th difference between the ideal and the real in the characters that populate The Canterbury Tales?**
- **Students create a rubric**

|-----------------|--|
| CRP.K-12.CRP1 | Act as a responsible and contributing citizen and employee. |
| CRP.K-12.CRP1.1 | Career-ready individuals understand the obligations and responsibilities of being a member of a community, and they demonstrate this understanding every day through their interactions with others. They are conscientious of the impacts of their decisions on others and the environment around them. They think about the near-term and long-term consequences of their actions and seek to act in ways that contribute to the betterment of their teams, families, community and workplace. They are reliable and consistent in going beyond the minimum expectation and in participating in activities that serve the greater good. |
| CRP.K-12.CRP2.1 | Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation. |
| CRP.K-12.CRP4.1 | Career-ready individuals communicate thoughts, ideas, and action plans with clarity, whether using written, verbal, and/or visual methods. They communicate in the workplace with clarity and purpose to make maximum use of their own and others' time. They are excellent writers; they master conventions, word choice, and organization, and use effective tone and presentation skills to articulate ideas. They are skilled at interacting with others; they are active listeners and speak clearly and with purpose. Career-ready individuals think about the audience for their communication and prepare accordingly to ensure the desired outcome. |
| CRP.K-12.CRP5.1 | Career-ready individuals understand the interrelated nature of their actions and regularly make decisions that positively impact and/or mitigate negative impact on other people, organization, and the environment. They are aware of and utilize new technologies, understandings, procedures, materials, and regulations affecting the nature of their work as it relates to the impact on the social condition, the environment and the profitability of the organization. |
| CRP.K-12.CRP6.1 | Career-ready individuals regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand |

| | |
|-------------------|---|
| | how to bring innovation to an organization. |
| CRP.K-12.CRP7.1 | Career-ready individuals are discerning in accepting and using new information to make decisions, change practices or inform strategies. They use reliable research process to search for new information. They evaluate the validity of sources when considering the use and adoption of external information or practices in their workplace situation. |
| CRP.K-12.CRP8.1 | Career-ready individuals readily recognize problems in the workplace, understand the nature of the problem, and devise effective plans to solve the problem. They are aware of problems when they occur and take action quickly to address the problem; they thoughtfully investigate the root cause of the problem prior to introducing solutions. They carefully consider the options to solve the problem. Once a solution is agreed upon, they follow through to ensure the problem is solved, whether through their own actions or the actions of others. |
| CRP.K-12.CRP9.1 | Career-ready individuals consistently act in ways that align personal and community-held ideals and principles while employing strategies to positively influence others in the workplace. They have a clear understanding of integrity and act on this understanding in every decision. They use a variety of means to positively impact the directions and actions of a team or organization, and they apply insights into human behavior to change others' action, attitudes and/or beliefs. They recognize the near-term and long-term effects that management's actions and attitudes can have on productivity, morals and organizational culture. |
| CRP.K-12.CRP10 | Plan education and career paths aligned to personal goals. |
| CAEP.9.2.12.C.5 | Research career opportunities in the United States and abroad that require knowledge of world languages and diverse cultures. |
| TECH.8.1.12 | Educational Technology: All students will use digital tools to access, manage, evaluate, and synthesize information in order to solve problems individually and collaborate and to create and communicate knowledge. |
| TECH.8.1.12.B | Creativity and Innovation: Students demonstrate creative thinking, construct knowledge and develop innovative products and process using technology. |
| TECH.8.1.12.B.CS1 | Apply existing knowledge to generate new ideas, products, or processes. |

- Varied resources and texts
- Build on student's strengths
- Teach Strategies for areas of deficiency
- Flexible grouping and pacing
- Various opportunities and choice as to how students demonstrate their learning. They can write, speak, conduct, create, research, record, share, and more.

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks

- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting
