Unit Overview

The library is a place that promotes a love of reading and supports students in their personal reading needs. Students can acquire knowledge and gain insight into areas that are of interest to the learner. In Unit 5, students will practice good reading behaviors, and will be introduced to the BHS OPAC (online public access catalog) system and will learn how to search by Title, Author, Subject, and Genre. They will utilize search strategies to self-select books that satisfy their personal needs. They will independently use their learning to locate and utilize the library materials to enrich their lives and fulfill their academic needs. The ultimate goal is to help students develop a feeling of familiarity and enjoyment with the library and an appreciation for literature that will follow them throughout their lives.

Enduring Understanding

- Everyone can develop a love of reading.
- Fiction and Nonfiction books can be used as resources for research and class assignments.

- Fiction and Nonfiction books can be used as resources for recreational reading.
- Reading is a process by which we construct meaning about the information being communicated by an author within a print or non-print medium.
- Reading for pleasure or information has life-long applications.
- Literature can be real (nonfiction) or make believe (fiction), and readers learn from both.
- Learning to love reading provides readers with pleasure throughout their lives.
- People who love to read often share ideas from and about what they read with others.
- People who love to read many different kinds of books learn more about the world than those who are not life-long readers.
- Understand that literature can influence personal growth and development.
- Libraries contain many different kinds of literature at all reading levels.
- One way to choose a book is to read a popular fiction series.
- Another way to choose a book is to read an award-winner.
- Understand the elements of literature.
- What makes a good story?
- Good writers and illustrators develop and refine their ideas for thinking, learning, communication, and aesthetic expression.
- Understanding of a text's features, structures, and characteristics facilitate the reader's ability to make meaning of the text.

Essential Questions

- Why do people love reading?
- What kind of books do I need to answer my questions?
- What kind of fiction and nonfiction books do I enjoy?
- How can stories help me understand the world around me?
- How do people develop a love of particular books and types of literature?
- How can we share our love of literature with others?
- How can the library impact my personal reading growth?
- In what ways does a discussion increase our knowledge and understanding of an idea?
- How does a speaker communicate so others will listen and understand the message?
- What makes a good story?
- What series are available for readers of my age and interest?
- How do readers construct meaning from the text?
- In which ways does understanding the structure of a text help us to better understand its meaning?
- How does fluency affect comprehension?

- How do good writers express themselves?
- How does a writer develop a well-written product?
- How does a writer choose a particular form of writing?
- How can I understand and appreciate all types of literature?
- What are some of the book awards given to books?

Exit Skills

By the end of Grade 9/10, Library Media Unit 5-Literature Appreciation, the student should be able to:

- Independently select a book based on purpose, interest, and reading level.
- Distinguish among genres.
- Utilize the BHS OPAC (**online public access catalog**) system and other (Good Reads) websites to look at book reviews to help in the selection of their library books.
- Understand literary forms.
- Locate and select reading materials based on the recommendations of others from either Book Reviews, Book talks, and/or Book Trailers.
- Recognize distinguished authors, illustrators, or book series.
- Analyze the characters, setting, and plot of stories to determine genres.
- Recognize and identify books that received the prestigious American Library Association Newbery Medal Award and other literary awards.
- Identify title/copyright page and table of contents and their uses.
- Select and use a biography for research projects.
- Select and use informational texts for research (classroom) projects.

New Jersey Student Learning Standards (NJSLS-S)

N.J. Student Learning Standards and American Association of School Librarians (AASL-2017) applicable to Unit 5 include:

LA.RL.9-10.2	Determine a theme or central idea of a text and analyze in detail its development over the course of the text, including how it emerges and is shaped and refined by specific details and provide an objective summary of the text.
LA.RL.9-10.3	Analyze how complex characters (e.g., those with multiple or conflicting motivations) develop over the course of a text, interact with other characters, and advance the plot or develop the theme.
LA.RL.9-10.4	Determine the meaning of words and phrases as they are used in the text, including figurative and connotative meanings; analyze the cumulative impact of specific word choices on meaning and tone (e.g., how the language evokes a sense of time and place; how it sets a formal or informal tone).
LA.RL.9-10.5	Analyze how an author's choices concerning how to structure a text, order events within it (e.g., parallel plots), and manipulate time (e.g., pacing, flashbacks) create specific effects (e.g., mystery, tension, or surprise).
LA.RL.9-10.9	Analyze and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) how an author draws on and transforms source material in a specific work (e.g., how Shakespeare treats a theme or topic from mythology or the Bible or how a later author draws on a play by Shakespeare).
LA.RL.9-10.10a	By the end of grade 9, read and comprehend literature, including stories, dramas, and poems at grade level text-complexity or above with scaffolding as needed.
LA.RL.9-10.10b	By the end of grade 10, read and comprehend literature, including stories, dramas, and poems, at grade level or above.
LA.RI.9-10.2	Determine a central idea of a text and analyze how it is developed and refined by specific details; provide an objective summary of the text.
LA.RI.9-10.3	Analyze how the author unfolds an analysis or series of ideas or events, including the order in which the points are made, how they are introduced and developed, and the connections that are drawn between them.
LA.RI.9-10.5	Analyze in detail how an author's ideas or claims are developed and refined by particular

	sentences, paragraphs, or larger portions of a text (e.g., a section or chapter).
LA.RI.9-10.6	Determine an author's point of view or purpose in a text and analyze how an author uses rhetorical devices to advance that point of view or purpose.
LA.RI.9-10.7	Analyze various perspectives as presented in different mediums (e.g., a person's life story in both print and multimedia), determining which details are emphasized in each account.
LA.RI.9-10.9	Analyze and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) documents of historical and literary significance, (e.g., Washington's Farewell Address the Gettysburg Address, Roosevelt's Four Freedoms speech, King's "Letter from Birmingham Jail", Declaration of the Rights of Man and Citizen, U.N. Universal Declaration of Human Rights, etc.), including how they relate in terms of themes and significant concepts.
I.B.3	Generating products that illustrate learning
V.A.1	Reading widely and deeply in multiple formats and write and create for a variety of purposes
V.A.2	Reflecting and questioning assumptions and possible misconceptions
V.A.3	Engaging in inquiry-based processes for personal growth.
V.C.3	Collaboratively identifying innovative solutions to a challenge or problem
II.A.2	Adopting a discerning stance toward points of view and opinions expressed in information resources and learning products.
II.A.3	Describing their understanding of cultural relevancy and placement within the global learning community
II.B.2	Evaluating a variety of perspectives during learning activities.
II.C.1	Engaging in informed conversation and active debate.
II.D.1	Seeking interactions with a range of learners.
II.D.2	Demonstrating interest in other perspectives during learning activities.
IV.A.1	Determining the need to gather information.
IV.A.2	Identifying possible sources of information.
VI.A.1	Responsibly applying information, technology, and media to learning.
VI.A.3	Evaluating information for accuracy, validity, social and cultural context, and appropriateness for need.
VI.B.2	Acknowledging authorship and demonstrating respect for the intellectual property of others.
VI.D.1	Personalizing their use of information and information technologies.

Interdisciplinary Connections

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;

• Visual and Performing Arts

MA.N-Q.A.1	Use units as a way to understand problems and to guide the solution of multi-step problems; choose and interpret units consistently in formulas; choose and interpret the scale and the origin in graphs and data displays.
WL.7.1.IH.A.4	Analyze historical and political contexts that connect or have connected famous people, places, and events from the target culture(s) with the United States.
WL.7.1.IH.A.C.6	Examination of the roles of race, ethnicity, gender, and religion through world history and across cultures assists in understanding the current sociopolitical landscape. (Topics that assist in the development of this understanding should include, but are not limited to: history, social sciences, and world literatures.)

Suggested Activities & Best Practices

Suggested Acivities & Best Practices:

- Listen to stories with attentive and purposeful listening and viewing skills.
- Present Booktalks, Book trailers, author videos, etc. to demonstrate how to review a book and present it to the class (Don't give away the ending).
- Students can learn about their favorite authors and illustrators by listening to video conferences or viewing short video clips (Scholastic http://www.scholastic.com/teacher/videos/teacher-videos.htm#3194413933001/3250436379001) of favorite Authors/Illustrators.
- Be able to identify the title, author, illustrator, publisher, and copyright date of books.
- Demonstrate how to choose materials based on personal interests
- Indicate and identify books that received the prestigious American Library Association Newbery Medal Award.

- Using various techniques to help students identify and classify the various characteristics of both fiction and nonfiction books.
- Be able to analyze the characters, setting, and plot of various stories.
- Indicate the genre (adventure, historical fiction, mystery, etc.) and be able to identify them.
- Reveal how to identify the Parts of a Book (title/copyright page/dedication page/Table of Contents/Glossary/Index, etc.) and their uses.
- Demonstration on where and how to find biography books for various classroom research projects.
- Demonstration on where and how to search the OPALS OPAC system for subjects, genre, title, etc.
- BreakoutEDU activity "HISTORICAL MASTERMIND MASTERMIND (Reading Primary Documents)
- BreakoutEDU activity "MIX UP IN THE LIBRARY: A TALE OF MANY GENRES (GENRES)"
- BreakoutEDU activity "BREAKING DIGITAL LOVE: ROMEO AND JULIET TOPIC: ROMEO AND JULIET"
- BreakoutEDU Activity "PRESIDENTIAL PERPLEXITY TOPIC: PRESIDENTS' DAY"
- BreakoutEDU Activity "VOTES FOR WOMEN (SUFFRAGE)"

Assessment Evidence - Checking for Understanding (CFU)

Assessment Evidence/Checking for Understanding specifically used in Unit 5 will include:

- Question Stems that are framed around Bloom's Taxonomy will be utilized throughout Unit 5 to check for understanding.
- Evaluate student activities and stories using Google Docs and submitted in Google classroom-alternate assessment
- KWL activity when introducing a biography to establish the student's existing knowledge.-formative assessment
- Compare and Contrast Venn Diagrams will be used on various stories to compare different stories and to check for comprehension.
- Unit test-summative assessment
- Create a Multimedia poster-benchmark assessment

Alignment to 21st Century Skills & Technology

Mastery and infusion of 21st Century Skills & Technology and their Alignment to the core content areas is essential to student learning. The core content areas include:

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;
- Visual and Performing Arts.

CRP.K-12.CRP4.1

Career-ready individuals communicate thoughts, ideas, and action plans with clarity, whether using written, verbal, and/or visual methods. They communicate in the workplace with clarity and purpose to make maximum use of their own and others' time. They are excellent writers; they master conventions, word choice, and organization, and use effective tone and presentation skills to articulate ideas. They are skilled at interacting with others; they are active listeners and speak clearly and with purpose. Career-ready individuals think about the audience for their communication and prepare accordingly to ensure the desired outcome.

CRP.K-12.CRP10.1

Career-ready individuals take personal ownership of their own education and career goals, and they regularly act on a plan to attain these goals. They understand their own career interests, preferences, goals, and requirements. They have perspective regarding the pathways available to them and the time, effort, experience and other requirements to pursue each, including a path of entrepreneurship. They recognize the value of each step in the education and experiential process, and they recognize that nearly all career paths require ongoing education and experience. They seek counselors, mentors, and other experts to assist in the planning and execution of career and personal goals.

CRP.K-12.CRP11.1

Career-ready individuals find and maximize the productive value of existing and new

	technology to accomplish workplace tasks and solve workplace problems. They are flexible and adaptive in acquiring new technology. They are proficient with ubiquitous technology applications. They understand the inherent risks-personal and organizational-of technology applications, and they take actions to prevent or mitigate these risks.
CRP.K-12.CRP12.1	Career-ready individuals positively contribute to every team, whether formal or informal. They apply an awareness of cultural difference to avoid barriers to productive and positive interaction. They find ways to increase the engagement and contribution of all team members. They plan and facilitate effective team meetings.
PFL.9.1.12.A.3	Analyze the relationship between various careers and personal earning goals.
CAEP.9.2.12.C.1	Review career goals and determine steps necessary for attainment.
CAEP.9.2.12.C.4	Analyze how economic conditions and societal changes influence employment trends and future education.
TECH.8.1.12.A.5	Create a report from a relational database consisting of at least two tables and describe the process, and explain the report results.
TECH.8.1.12.A.CS2	Select and use applications effectively and productively.
TECH.8.1.12.B	Creativity and Innovation: Students demonstrate creative thinking, construct knowledge and develop innovative products and process using technology.
TECH.8.1.12.C.1	Develop an innovative solution to a real world problem or issue in collaboration with peers and experts, and present ideas for feedback through social media or in an online community.
TECH.8.1.12.C.CS1	Interact, collaborate, and publish with peers, experts, or others by employing a variety of digital environments and media.

21st Century Skills/Interdisciplinary Themes

The 21st Century Skills/Interdisciplinary Themes that will be incorporated into Unit 5 include:

- Communication and Collaboration
- information Literacy
- Media Literacy
- ICT (Information, Communications and Technology) Literacy
- Life and Career Skills
- Communication and Collaboration
- Creativity and Innovation
- Critical thinking and Problem Solving
- ICT (Information, Communications and Technology) Literacy
- Information Literacy
- Life and Career Skills
- Media Literacy

21st Century Skills

21st Century Skills presented in Unit 5 include:

- Global Awareness
- Financial, Economic, Business and Entrepreneurial Literacy
- Civic Literacy
- Health Literacy
- Environmental Literacy

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy
- Global Awareness
- Health Literacy

Differentiation

Effective educational Differentiation used within Unit 5 include:

- The student will be provided visual/auditory presentations during Unit 5 material and will have varied supplemental materials (Readwritethink, American Libraries Association, etc.). http://gws.ala.org/category/literature-languages
- Students will use a variety of Graphic Organizers based on the literature presented on any given week. http://www.readwritethink.org/classroom-resources/printouts/
- Various Stories may use Literature Circles.
- Guided Reading groups and story guides/story maps will be provided for various stories throughout the year.
- Tiered Activities/Assignments and Think-Pair-Share will be utilized when learning and reading books.

Differentiations:

- Small group instruction
- Small group assignments

- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest

- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

The **Special Education Learning** adaptations that will be utilized in Unit 5 include:

- Provide modifications as dictated in the student's own IEP/504 plan.
- Preferential seating will be utilized.
- Secure attention of the student before reading a story.
- Story Guides/Story Maps will be utilized to increase Reading Comprehension.
- Multi-sensory activities will be used (dramatic enactment-Readers' Theater, Dioramas, poster, etc.) to increase reading comprehension
- Use of Smart TV to present stories or provide visual components when working on a Graphic Organizer.
- For completing library assignments the students will work with an assigned partner.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- · behavior management plan
- Center-Based Instruction
- · check work frequently for understanding
- computer or electronic device utilizes

- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- · modified test content
- modified test format
- modified test length
- · multi-sensory presentation
- multiple test sessions
- · preferential seating
- · preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- · Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- · teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

The English Language Learning adaptations that will be employed in Unit 5 include:

- Use of videos, illustrations, pictures, and drawings will be used to explain or clarify material presented in Unit 5
- Books and/or video counterpart in English Language Learner's Native Language (if available)will be utilized.
- Story Maps and/or Graphic Organizers will be utilized to increase Reading Comprehension.
- Multi-sensory activities will be used (dramatic enactment, Dioramas, poster, etc.) to increase reading comprehension
- Teaching the key aspects and eliminating the nonessential information when introducing the students to stories will be helpful to the ELL Learner.
- Asking peer tutors or pairing student with a more advanced English Language Learner to assist the

beginning English Language Learner when required to complete a task.

- · teaching key aspects of a topic. Eliminate nonessential information
- · using videos, illustrations, pictures, and drawings to explain or clarif
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- · modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- · reducing the number of answer choices on a multiple choice test
- · tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

Intervention Strategies that will be employed in the Unit 5 include:

- Use of videos, illustrations, pictures, and drawings will be used to explain or clarify material presented in Unit 5.
- Story Maps and/or Graphic Organizers will be utilized to increase Reading Comprehension.
- Teaching the key aspects and eliminating the nonessential information when introducing the students to stories will be helpful to the "at risk" Learner.
- Multi-sensory activities will be used (dramatic enactment, Dioramas, poster, etc.) to increase reading comprehension
- Asking peer tutors to assist the "at risk" Learner when they are required to complete a task.
- Allowing products (projects, time lines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning.
- allowing students to correct errors (looking for understanding)
- · teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- · allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to

reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.

- · decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- · providing study guides
- · reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- · tutoring by peers
- · using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

The **Talented and Gifted** adaptations that will be employed in Unit 5 include:

- Teacher selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities. Students can read additional fiction books, explore, and investigate areas of interest.
- Create a plan to solve a local or global issue and present it to the class. They could achieve this by researching an area of interest and writing a nonfiction report and creating a multimedia presentation for the class.
- Utilize project-based learning for greater depth of knowledge utilizing a higher order, critical & creative thinking skills, and discovery and present completed activities to the class.
- Student driven research utilizing High School databases and presenting final Google Slide presentation to the class.
- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
