Unit Overview

Analyzing SATB Writing (Soprano, Alto, Tenor, Bass) is essential to recognizing harmony and movement through music. Analyzing Harmony throughout excerpts gives the student more context into understanding advanced concepts in music theory. Applying knowledge of Triads and 7ths chords and how they move into one another in order to create music is essential for understanding Harmony. In this unit, we will look at basic 4 part writing techniques, Shankarian analysis, and basic Orchestral and ensemble scores.

Enduring Understandings

- 4 Part writing is the movement of harmony through excerpts that have a Soprano, Alto, Tenor, and Bass Line
- Figured Bass is the suggestion of Harmony throughout a 4 part exercise
- Score Order is the order of instrumentation throughout an instrumental.vocal score
- Roman Numeral Marking label chords and give context to the harmony throughout an excerpt

Essential Questions

- How do we combine notes vertically in a 4 part exercise to identify chords?
- How does analyzing the harmonic movement in music provide us more context?
- What techniques and rules are common in Western Harmony?
- What are tendencies that certain pitches have when it comes to music in 4part/orchestral writing?
- How do we identify cadences throughout a musical excerpt?

Exit Skills

- Use Roman numeral Analysis to identify chords in a 4 part exercise
- Use Basic 4 part writing techniques to realize excerpts in figured base.
- Create musical excerpts using rules and trends of Western harmony
