Board Approved: September 23, 2019

Unit Overview

Unit 1 examines:

- the world of European exploration and trade in the Middle East during 1400-1650 by Portugal, Spain, and Italy and its effect European countries
- The Renaissance and Reformation led to political, economic, and cultural changes throughout Great Britain, Spain, Germany, France and Italy
- how this led to the search for wealth in the Americas and religious freedom colonization in New England America.
- the correlation between the ideas of the Renaissance and the Protestant Reformation

Enduring Understanding

1. Wealth accumulated from European trade with the Middle East, fostered civic pride in the Italian cities. Wealthy citizens held a secular view of the world
2. The methods of and motivations for exploration and conquest resulted in increased global interactions, differing patterns of trade, colonization, and conflict among nations.
3. Ideas developed during the Renaissance and Reformation led to political, economic, and cultural changes that have had a lasting impact.

Essential Questions

1. How does migration of people affect world culture/civilization?
2. How does interaction (i.e. trade, conquest) influence societies?
3. How does culture and religion develop and change over time?
4. Why do societies explore and interact?
5. What is the concept of a national religion?
6. What factors impact a society's economy?

Exit Skills

By the end of Unit 1, students should be able to:

- apply domain-specific vocabulary in their verbal and written responses, essays and papers.
- deductively use new information and logically apply this evidence to a related problem.
- inductively gather information and deduce a theory based on their findings.
- gather information in meaningful clusters and apply their findings to specific problems.

Suggested Activities & Best Practices

- Establish historical context by checking for understanding about events leading up to the Renaissance and Reformation.
- Build foundation through vocabulary and key people identification such as Shakespeare, DaVinci, and Machiavelli.
- Analyze Machiavelli's The Prince and create a Google Slides to explain the impact on future Revolutionary events.
- Use of maps and interactive time likes to understand the context surrounding the time period / event including maps of Italy and the Northern Regions.
- Create a map of the Europe and show how each area was impacted by the beliefs of the Reformation.
- Use of primary sources from multiple perspectives including view point, culture and class
- Use of Ebook to interactively use the text book through videos, pictures, audio etc

- Write a journal entry from a key persons point of view (Create a journal from a fisherman, royal)
- Research and collect historical evidence for an essay about how the ideas of Reformation have altered our 21st Century today.

Alignment to 21st Century Skills & Technology

Mastery and infusion of **21st Century Skills & Technology** and their Alignment to the core content areas is essential to student learning. The core content areas include:

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;
- Visual and Performing Arts.

TECH.8.1.12.A	Technology Operations and Concepts: Students demonstrate a sound understanding of technology concepts, systems and operations.
TECH.8.1.12.A.CS1	Understand and use technology systems.
TECH.8.1.12.B	Creativity and Innovation: Students demonstrate creative thinking, construct knowledge and develop innovative products and process using technology.
TECH.8.1.12.C	Communication and Collaboration: Students use digital media and environments to communicate and work collaboratively, including at a distance, to support individual learning and contribute to the learning of others.
TECH.8.1.12.C.CS1	Interact, collaborate, and publish with peers, experts, or others by employing a variety of digital environments and media.
TECH.8.1.12.C.CS2	Communicate information and ideas to multiple audiences using a variety of media and formats.
TECH.8.1.12.D	Digital Citizenship: Students understand human, cultural, and societal issues related to technology and practice legal and ethical behavior.
TECH.8.1.12.D.CS2	Demonstrate personal responsibility for lifelong learning.
TECH.8.1.12.E	Research and Information Fluency: Students apply digital tools to gather, evaluate, and use information.

21st Century Skills/Interdisciplinary Themes

- Communication and Collaboration
- Creativity and Innovation
- Critical thinking and Problem Solving
- ICT (Information, Communications and Technology) Literacy

- Information Literacy
- Life and Career Skills
- Media Literacy

21st Century Skills

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy

- Health Literacy

Differentiation

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe

- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

Extended time for Journals from the perspective of various members of the European society during the Renaissance.

Check students progress as they take notes on events within the Renaissance and Reformation.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

allowing students to work with other English speaking students on specific assignments

true/false assessments about DaVinci and other Renaissance thinkers.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarif

- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

provide a unit syllabus to help students stay focused

use real life examples when teaching about the changes throughout European society when the Renaissance began.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

debate if the Renaissance affected today's society.

investigate the ways the Reformation changed society today.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge

OBJ: To understand how wars/changes affect history.

Explain the journal assignment (Each unit will have a journal to be handed in at the end of the unit).

Journal #1: Analyze quote: pg 344 - Shakespeare Quote

"All the world's a stage/And all the men and women merely players/They have their exits and their entrances/And one man in his time plays many parts."

1. What does this quote mean?
2. How can you relate it to history?
3. Do you agree? Disagree?

Explain to students: How is the quote related to history?

a. History is like a play. Every event has its own settings, plot, players/actors, story, etc.

b. All people are involved directly/indirectly.

c. One man (leader) could play many roles: positively/negatively

Students find one example in groups.

Hmwk:

How does this affect the memory/historical impact of 9/11 to today? Research what happened; what changes have been made to prevent this in the future; how has this affected society today?
