## **Enduring Understanding**

---

**Students will understand that:**

- Learning a language takes motivation, perseverance and practice.
- The recognition and use of patterns of verb forms gives the speaker a wider range of communication skills.
- Knowledge and understanding of a culture facilitates communication.
- Communicating in at least one other language is essential to gaining knowledge of other cultures (traditions, products, and perspectives).
- Participating in multilingual communities both within and beyond the school setting leads to personal enjoyment and enrichment.
- Appreciating and understanding the variety of cultures that exist in a society enriches that society.
- Language acquisition is accelerated by repeated exposure to the spoken language as well as the perceived need to speak only the target language.
- When comparing languages, cultural values, and beliefs, all communities deserve equal respect and consideration.

## **Essential Questions**

---

**Students will keep considering:**

- How are aspects of identity expressed in various situations?
- How do language and culture influence identity?
- How does one's identity develop over time?
- How do cultural products & practices influence contemporary life?
- Is knowledge of grammar rules essential for communication?
- What distinguishes a fluent foreigner from a native speaker?
- Why do people from different cultures sometimes say, write and do things differently from the way I

do them?

## Exit Skills

---

Students will be able to discuss and write about:

- Alienation and Assimilation / *Alienazione e Assimilazione*
- Beliefs and Values / *Credenze e valori*
- Gender and Sexuality / *Genere e Sessualità*
- Language and Identity / *Lingua e identità*
