Unit Overview

Unit 7 - Comparisons & Conversation

Comparison Words & Expressions

- Compare people, places, and things in greater detail using superlatives.

Demonstrative Adjectives

- Point out objects and people in their relative environments.

Idiomatic Expressions

- Express wonderment and probability in the present, past & future.
- Compare & contrast expressions from target language with English idioms.

Enduring Understanding

Students will understand that:

- Much can be learned about the cultures & history of a country or region through the study of its language.
- Cultural variations in language & grammar structure are necessary to communicate precise meanings.
- When modes of communication and cultures are compared it is evident that they are both unique and

similar.
- When comparing languages, cultural values, and beliefs all communities deserve equal respect and consideration.
- Comparing English with others languages is important to understanding the nature of language and their cultures.
- Communicating in at least one other language in order to obtain information, express feelings and exchange opinions is important.

Essential Questions

Students will keep considering:

- How do I express myself like a native speaker?
- Why is direct translation not an effective means of communication in every situation?
- Why do cultural differences deserve equal respect and consideration?
- What can we learn about city life, daily routines, social activities & cultural traditions through the study of the target language?

Exit Skills

Students will be able to:

- Compare people, places, objects, and activities in daily life based on oral and written descriptions.
- Identify things in sequence.
- Recognize similarities between English and the target language.
- Express one's actions in a more descriptive way.

Suggested Activities & Best Practices

Suggested Activities:

- Written comprehension activities;
- Reading comprehension activities;
- Oral practice;
- Interactive games;
- Integrate technology

Exemplar: Work collaboratively in pairs or groups to create, revise and present script on student choice unit topic in a video project.

Differentiation

General Differentiations:

- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Study guides
- Multisensory approaches
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Small group setting

Hi-Prep Differentiations:

- Games and tournaments
- Group investigations
- Guided Reading
- Leveled rubrics
- Multiple intelligence options
- Project-based learning
- Stations/centers
- Tiered activities/assignments

Lo-Prep Differentiations

- Choice of activities
- Flexible grouping
- Goal setting with student
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied supplemental materials

Exemplar: Students engage in student choice project based learning to help explore and present understanding of current vocabulary and grammar skills in accordance with their own levels of knowledge. (EX: Create a poster comparing and contrasting idiomatic expressions in the target language and at least one other language.)

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

-Provide modifications as dictated in the student's IEP/504 plan

-Additional time for skill mastery

-Student working with an assignment partner

-Check work frequently for understanding

-Extended time on tests/quizzes

-Multisensory presentation

Exemplar: Provide word bank on fill in the blank/recall assessments.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary

- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

Will be used as needed, depending on the class population.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarif
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

-Using videos, illustrations, pictures, and drawings to explain or clarify

-Tutoring by peers

-Having peers take notes or providing a copy of the teacher's notes

-Allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to deomnstrate student's learning

Exemplar: Encourage attendance at before school/after school tutoring program to allow for added one on

one review and instruction time.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

-Create a plan to solve an issue presented in the class or in a text

-Cluster grouping

-Allow students to work at a faster pace
Exemplar: Allow students to create a lesson and teach the class using the medium of their choice as a teaching aid (Google slides, speech, or video)

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery

- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
