English Language Learning (ELL)

Due to the nature of the class, I will use all of these as necessary for the ELL population.

- teaching key aspects of a topic. Eliminate nonessential information

- using videos, illustrations, pictures, and drawings to explain or clarif

- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;

- allowing students to correct errors (looking for understanding)

- allowing the use of note cards or open-book during testing

- decreasing the amount of workpresented or required

- having peers take notes or providing a copy of the teacher's notes

- modifying tests to reflect selected objectives

- providing study guides

- reducing or omitting lengthy outside reading assignments

- reducing the number of answer choices on a multiple choice test

- tutoring by peers

- using computer word processing spell check and grammar check features

- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

Due to the nature of the class, I will be using all of these as needed.

-Using videos, illustrations, pictures, and drawings to explain or clarify

-Tutoring by peers

-Having peers take notes or providing a copy of the teacher's notes

-Allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to deomnstrate student's learning

 Exemplar: Encourage attendance at before school/after school tutoring program to allow for added one on one review and instruction time.

21st Century Themes and Skills:

Differentiation: Based on the fact that I have mixed levels, I need to move according to the IEP's and the 504's. I will need to adjust the amount of work expected of certain students, and meet them at each individual ability. I may have to modify quizzes, tests, and class work throughout the year.

Integration of Technology: attendance, internet use for any topic that arises, they can take their notes on Chromebooks as well. Google classrooms have been set up and will be utilized as a gateway for extra credit assignments, and for sharing pertinent information.

Integration of Technology: Explore sources on my Edlio class website.
