Unit Overview

The library is a place that promotes a love of reading and supports students in their personal reading needs. The library is a place where students can acquire knowledge and gain insight into areas that are of interest to the learner. In Kindergarten Unit 2, Literature Appreciation, the learner will be exposed to both fiction and nonfiction pieces of literature. They will compare and contrast the difference between the two different types of books. Students will gain an appreciation of some of our country's heroes; listening to several biographies throughout the year. The ultimate goal is to help develop a feeling of familiarity and enjoyment with the library and an appreciation for literature.
