Unit Overview

Unit 4 – Critique

1. External and self-critique improves and clarifies our processes and products.
2. Foster artistic appreciation and critical analysis.
3. Appreciate the importance of visual art.
4. Develop student's ability to describe, analyze, interpret, and evaluate their own, and other works of art.
5. Welcome students into the global art world as active participants, engaging with its forms and content as they research, discuss, read, and write about art, artists, art making, and responses to and interpretations of art.
6. Explore global art with the development of deep conceptual understandings and art historical skills.
7. Allow students to discover the diversity in and connections among forms of artistic expression throughout history and from around the globe.

Enduring Understanding

Enduring understandings:

1. Aesthetic ideals change over time and across cultures.
2. Aesthetic knowledge fosters artistic appreciation and critical analysis.
3. The clarity of a work of art and its ability to communicate can be affected by the manner in which it is shown.
4. The critique requires a set of guidelines and operates within established criteria.

Essential Questions

Essential Questions:

1. How does one come to appreciate the importance of visual art?
2. How does one develop one's own aesthetic?
3. How does the artist's choice of materials affect a work of art?
4. How do we read and understand a work of art?
5. How does the presentation of an artwork affect its significance and meaning?
6. What criteria must be present for a critique to take place?

Exit Skills

By the end of Unit 4:

1. All students will demonstrate an understanding of critique by:
 - Knowledge of aesthetics.

- Understanding artistic appreciation.
- Constructive criticism of the works of art of peers and predecessors.

2. All students will understand that

- External and self-critique improves and clarifies our processes and products.
- Interpretations of art are variable.

3. All students will recognize the unique qualities of art.

| CRP.K-12.CRP1 | Act as a responsible and contributing citizen and employee. |
| CRP.K-12.CRP1.1 | Career-ready individuals understand the obligations and responsibilities of being a member of a community, and they demonstrate this understanding every day through their interactions with others. They are conscientious of the impacts of their decisions on others and the environment around them. They think about the near-term and long-term consequences of their actions and seek to act in ways that contribute to the betterment of their teams, families, community and workplace. They are reliable and consistent in going beyond the minimum expectation and in participating in activities that serve the greater good. |
| CRP.K-12.CRP2 | Apply appropriate academic and technical skills. |
| CRP.K-12.CRP2.1 | Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation. |
| CRP.K-12.CRP4 | Communicate clearly and effectively and with reason. |
| CRP.K-12.CRP6 | Demonstrate creativity and innovation. |
| CRP.K-12.CRP6.1 | Career-ready individuals regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization. |
| CRP.K-12.CRP10.1 | Career-ready individuals take personal ownership of their own education and career goals, and they regularly act on a plan to attain these goals. They understand their own career interests, preferences, goals, and requirements. They have perspective regarding the pathways available to them and the time, effort, experience and other requirements to pursue each, including a path of entrepreneurship. They recognize the value of each step in the education and experiential process, and they recognize that nearly all career paths require ongoing education and experience. They seek counselors, mentors, and other experts to assist in the planning and execution of career and personal goals. |
| CRP.K-12.CRP11 | Use technology to enhance productivity. |
| CAEP.9.2.12.C.2 | Modify Personalized Student Learning Plans to support declared career goals. |

Differentiation

- Students will have the same subject matter but will have different outcomes.
 - Progress will be the same but the product will be different.
 - Guided instruction, direct instruction, group instruction.
 - Assist students with IEP & 504 guidelines.
 - Study guides, group and peer instruction, extended time/ test time, oral testing
 - Small group instruction
 - Small group assignments
 - Extra time to complete assignments
 - Pairing oral instruction with visuals
 - Repeat directions
 - Scheduled breaks
 - Rephrase written directions
-
- Alternative formative and summative assessment
 - Leveled rubrics
 - Project-based learning
-
- Exploration by interest
 - Open-ended activities

Special Education Learning (IEP's & 504's)

- additional time for skill mastery
- preview of content, concepts, and vocabulary
- behavior management plan
- have student repeat directions to check for understanding
- teacher initiated weekly assignment sheet
- assistive technology
- check work frequently for understanding
- secure attention before giving instruction/directions
- multi-sensory presentation
- preferential seating
- Reduced/shortened written assignments

- printed copy of board work/notes provided
- peer tutoring
- testing with counselor

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multiple test sessions
- multi-sensory presentation
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

- using videos, illustrations, pictures, and drawings to explain or clarify
- teaching key aspects of a topic. Eliminate nonessential information
- having peers take notes or providing a copy of the teacher's notes
- providing study guides
- allowing students to correct errors (looking for understanding)
- reducing or omitting lengthy outside reading assignments

- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
 - provide an interpreter
 - translate study guides

Talented and Gifted Learning (T&G)

- Create a blog or social media page about their unit
 - Debate issues with research to support arguments
 - Complete activities aligned with above grade level text using Benchmark results
 - Advanced problem-solving
 - Above grade level placement option for qualified students
 - Higher order, critical & creative thinking skills, and discovery
 - Flexible skill grouping within a class or across grade level for rigor
 - Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
 - Multi-disciplinary unit and/or project
 - Allow students to work at a faster pace
 - Communicating with parent/guardian regarding after school classes
 - Communicating with parent/guardian regarding college opportunities
 - Offering after school art experiences

Sample Lesson

UNIT: Critique Still Life Paintings of Reflective Glass Using Acrylic Paint

INTERDISCIPLINARY CONNECTION: Northern European History of the 17th Century, Mathematical Ratios and Proportions.

STATEMENT OF OBJECTIVE: SWDAT increase knowledge of vocabulary regarding glazing, stumpling, and sgraffito using acrylic paint, application of shades and highlights to create the illusion of dimension; critique paintings for their formal qualities.

ANTICIPATORY SET/DO NOW: Formulate, hypothcize, and plan an exercise using different acrylic paint techniques and useful constructive criticism to deconstruct the quality of individual work.

LEARNING ATIVITY: Clarify, describe, and discuss how to use critique methods helpful towards the goal.

STUDENT ASSESSMENT/CFU's: Linked below

MATERIALS: Canvas board, pencils, acrylic paint, brushes, internet reference, YouTube, reference books.

21st CENTURY THEMES & SKILLS: Critical thinking, communicating.

DIFFERENTIATION: Students will have the same subject matter but will have different outcomes. (Progress will be the same but the product will be different). Guided instruction, direct instruction, group instruction. Assist students with IEP & 504 guidelines. Study guides, group and peer instruction, extended time/ test time, oral testing

INTEGRATION OF TECHNOLOGY: YouTube demos, Virtual museum tours.
