### **Suggested Activities & Best Practices**

---

- Each student will answer the unit's essential question(s) via Blogger on the class website before the unit begins. After the unit is completed, students will comment on their peer's post referencing material discussed during the unit. This will promote student interaction outside of the classroom as well as assist student's participation skills in the 21st century.
- Each student will research and identify a "Secret Identity" and then play a game of "Guess Who?" among the class. Students will receive their "Secret Identity" from the classroom teacher at random and will need to provide clues to the class regarding gender, sex, time period, appearance, etc.
