Unit Overview

This unit distinguishes intrapersonal communication from interpersonal communication, and aims to explain how our perceptions affect how we feel about ourselves and our attitudes toward communicating, as well as our predictions about others. In this unit, students expect to learn:

- How self-concept and interpersonal needs affect behavior and communication;
- How attitudes, goals and interpersonal roles affect communication;
- How to communicate thoughts and feelings appropriately;
- How to give clear directions and understand the directions received from others;
- How to use constructive feedback to solve problems and to settle disagreements;
- How to prepare for an interview for a job or school admission;
- How to conduct an informative interview to gather information about a topic.

Enduring Understanding

1. A speaking opportunity must be analyzed in terms of purpose, audience, speaker, and message.
2. Effective speakers critically evaluate other speakers and are able to articulate suggestions into constructive feedback.
3. An effective public speaker may inform, persuade, entertain, inspire, and more.
4. Effective speakers may gain confidence through relaxation and stress-reduction techniques, preparation and planning, and practice.
5. Effective speakers modulate their voice, tone, and content to apply appropriately in informal and formal situations.

Essential Questions

1. What makes a speaker genuine?

2. How can a speaker ensure clarity?

3. How is public speaking similar to and different from everyday conversation?

4. How does a speaker ensure that a speech is appropriate for a particular audience?

Exit Skills

1. Demonstrate proficiency in speaking and the oral communication process in a variety of situations and for a variety of audiences;
2. Demonstrate proficiency in using listening skills to gain information and to exchange ideas

New Jersey Student Learning Standards (NJSLS-S)

LA.SL.11-12.1	Initiate and participate effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with peers on grades 11–12 topics, texts, and issues, building on others' ideas and expressing their own clearly and persuasively.

LA.SL.11-12.1.A	Come to discussions prepared, having read and researched material under study; explicitly draw on that preparation by referring to evidence from texts and other research on the topic or issue to stimulate a thoughtful, well reasoned exchange of ideas.
LA.SL.11-12.1.B	Collaborate with peers to promote civil, democratic discussions and decision-making, set clear goals and assessments (e.g., student developed rubrics), and establish individual roles as needed.
LA.SL.11-12.1.C	Propel conversations by posing and responding to questions that probe reasoning and evidence; ensure a hearing for a full range of positions on a topic or issue; clarify, verify, or challenge ideas and conclusions; and promote divergent and creative perspectives.
LA.SL.11-12.1.D	Respond thoughtfully to diverse perspectives; synthesize comments, claims, and evidence made on all sides of an issue; resolve contradictions when possible; and determine what additional information or research is required to deepen the investigation or complete the task.
LA.SL.11-12.2	Integrate multiple sources of information presented in diverse media or formats (e.g., visually, quantitatively, qualitatively, orally) evaluating the credibility and accuracy of each source.
LA.SL.11-12.3	Evaluate a speaker's point of view, reasoning, and use of evidence and rhetoric, assessing the stance, premises, links among ideas, word choice, points of emphasis, and tone used.
LA.SL.11-12.4	Present information, findings and supporting evidence clearly, concisely, and logically. The content, organization, development, and style are appropriate to task, purpose, and audience.
LA.SL.11-12.5	Make strategic use of digital media (e.g., textual, graphical, audio, visual, and interactive elements) in presentations to enhance understanding of findings, reasoning, and evidence and to add interest.
LA.SL.11-12.6	Adapt speech to a variety of contexts and tasks, demonstrating a command of formal English when indicated or appropriate.
LA.L.11-12.1	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
LA.L.11-12.1.A	Apply the understanding that usage is a matter of convention, can change over time, and is sometimes contested.
LA.L.11-12.2	Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
LA.L.11-12.2.B	Spell correctly.
LA.L.11-12.3	Apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning or style, and to comprehend more fully when reading or listening.
LA.L.11-12.3.A	Vary syntax for effect, apply an understanding of syntax to the study of complex texts.
LA.L.11-12.4	Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grades 11–12 reading and content, choosing flexibly from a range of strategies.
LA.L.11-12.4.A	Use context (e.g., the overall meaning of a sentence, paragraph, or text; a word's position or function in a sentence) as a clue to the meaning of a word or phrase.
LA.L.11-12.4.B	Identify and correctly use patterns of word changes that indicate different meanings or parts of speech (e.g., conceive, conception, conceivable).
LA.L.11-12.4.C	Consult general and specialized reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning, its part of speech, its etymology, or its standard usage.
LA.L.11-12.4.D	Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).
LA.L.11-12.5	Demonstrate understanding of figurative language, word relationships, and nuances in

	word meanings.
LA.L.11-12.5.A	Interpret figures of speech (e.g., hyperbole, paradox) in context and analyze their role in the text.
LA.L.11-12.5.B	Analyze nuances in the meaning of words with similar denotations.
LA.L.11-12.6	Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when considering a word or phrase important to comprehension or expression.
LA.11-12.SL.11-12.2	Integrate multiple sources of information presented in diverse formats and media (e.g., visually, quantitatively, orally) in order to make informed decisions and solve problems, evaluating the credibility and accuracy of each source and noting any discrepancies among the data.

Learning Objectives

After completing Unit 1 The Communication Process, students wil be able to:

- Identify skills for critical and active listening;
- Employ skills for critical and active listening;
- Design a mock interview;
- Participate in an mock interview

Suggested Activities & Best Practices

- Students will conduct a mock interview with peers after coming up with questions related to their "job opening". This will help students to understand the types of questions interviewers may ask so they can be ready for the real interviews.
- Students will participate in a mock interview with peers coming up with answers to the questions posed by the "interviewer". This will help students to understand the answers interviewers may

anticipate so they can be ready for the real interviews.

Differentiation

Differentiations:

-Extra time to complete assignments

-Repeat directions in class and on teacher website

-Preview vocabulary and notes on teacher website

Hi-Prep Differentiations:

-Leveled rubric (student made)

-Literature Circles/Socratic Seminar

Lo-Prep Differentiations

-Flexible grouping/seating among classmates

-Think-Pair-Share Online Blog entries

Special Education Learning (IEP's & 504's)

-Provide modifications in workload and extended time as specified in the student's IEP/504 plan

-Allow extra time for online blog submissions

-Allow student to preview the material via teacher website

-Use of computer or electronic device during class to follow lesson, take notes, refer to HW for discussion

-Modeled techniques and speeches with discussions for student retention.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content

- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

-Allow for shorter blog and homework responses

-Use of Youtube videos and Screencasts of lessons for student retention and clarification of material located on teacher's website.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarif
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student’s learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher’s notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

-Reduce multiple choice options and build the options back into the lessons so students get a feel for true AP questions

-Provide a copy of the teacher's notes on the class website

-Screencast a lesson/discussion.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of workpresented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

-Create two blogs about the unit (before and after)

-Allow students to work at a faster pace by having material assessible two weeks prior.

-Allow students to make more than one required speech to practice techniques.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit

- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
