Suggested Activities & Best Practices

Unit 7, Week 1

- Have children draw a picture illustrating one part of the "Animal Fair" rhyme. Encourage children to add labels, captions, or sentences to their drawings, using the words and frames they have been learning. Children may dictate their ideas to you or write them independently, depending on individual needs.
- Guide small groups to talk about the different animals and what they know about them. Provide questions and language frames for children to use to sum up their discussion.
- Nonfiction animal books for children to look through.

Unit 7, Week 2

- Read: My First Pets
- Have children draw a pet thy have or would like to have. Guide them to add labels about the animal, what it's like, and what it does. Encourage children at the intermediate or advanced level to draw, dictate, or write complete sentences.
- Create a list of animals and their characteristics such as their personality and actions.

Unit 7, Week 3

- Have children work together to write a sentence for each picture they drew. Be sure their sentences about animals include the name of an animal and the name of its home.
- Give pairs of children large pieces of drawing paper folded in half. Have children work with partners to draw a child's home on one side, and the home of an animal of their choice on the other. Help them label their drawings. Then invite pairs to share their work with the group. Provide language frames for partners to introduce their work.
